Part-time. Temporary.Total Hours Per Week: 4hrs-29hrs. UNOde50 was created in the late 90's by the hand of a creative team who decided to create a style of jewellery that broke away from everything that existed until then. Tradition and modernity merged together to shape a different brand, with an ever-present handcrafted spirit that reflects exclusivity through design and quality..The brand began with the exclusive philosophy of creating 50 units of each design, hence its name. Over time and through its rapid success, the brand increased production but still retained the name to remember, just as on the first day, that quality and exclusivity of each design are a priority. Today the company also continues to fulfil its promise of exclusivity through limited editions of 50 pieces that are released with each collection.The icon of the Spanish jewellery brand, the small padlock, contains much more than a name. With a rounded shape and a handcrafted character, it was designed to symbolise the protection of exclusive uniquely designed jewellery.To apply: call for an appointment, apply in person, email resume.
