COST OF ATTENDANCE AND FINANCIAL NEED

At Southwestern College, the Cost of Attendance (COA) is a budget of student expenses that is used to estimate how much it will cost to attend college and support yourself during the period of attendance. Your expected family contribution (*the amount you and/or your parents are expected to contribute for educational costs*) is calculated taking into account your taxable income, non-taxable benefits, and assets. This is then added to any expected parent contribution, calculated from their taxable income and non-taxable benefits and assets, if applicable, and is subtracted from your student budget. The difference is your financial need. The family contribution is determined using a federal formula which takes into account the size of the household, the number of students attending college, your age and /or your parents' age, as well as other factors. Any additional financial resources such as AmeriCorps, or any outside scholarships, fee waivers, etc. will be deducted from your financial need.

The calculation is outlined below.

$$\begin{array}{r}
 \text{Cost of Attendance (COA)} \\
 - \text{ Estimated family Contribution (EFC) } \\
 = \text{ Total Need}
 \end{array}$$

Please see **Appendix for the 2017-18 COA chart. Your actual costs may differ from our standard COA.*

For a list of **Tuition and fees please click [here](#)*

ACADEMIC YEAR DEFINITION

Southwestern College's academic year, for federal student aid purposes, is comprised of two 16-week semesters (*Fall and Spring*), which meets the federal minimum academic year definition (*a minimum of 30 weeks of instruction*). SWC also offers a selection of courses during the summer term as well as a January term. Students are required to be enrolled in and attending at least 12 units each semester (*including summer term*) to be considered a full-time student, which means a full-time student is expected to complete a minimum of 24 units per year.

Enrollment status is determined based on the number of units in which students are officially enrolled, according to student records. It is the student's responsibility to ensure that all course adds and drops have been properly, promptly and accurately posted to their record prior to the freeze date for each semester. See "**Freeze Date**" on page 25.

SATISFACTORY ACADEMIC PROGRESS

Federal and state financial aid regulations require Southwestern College to establish, define, and apply standards of Satisfactory Academic Progress (SAP) for all financial aid applicants, regardless of previous financial aid history. These standards are created to help students successfully achieve their program of study within the Federal maximum time allowed.

SWC requires that SAP be evaluated every academic year, and measure both the qualitative standard (*cumulative GPA*) and quantitative standards (*completion rate, Pace*) and (*Maximum Time Frame*). For more information about SAP, please click [here](#).

SAP standards apply to all students requesting financial aid from the following federal and state funded programs listed below:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal William D. Ford Direct Loan Program
- Federal Work-Study Program (FWS)
- State Cal Grant Program (B & C)
- Full Time Student Success Grant (FTSSG)
- State Completion Grant
- State Chafee Grant Program
- State Child Development Grant Program

Disqualification

Any student who fails to meet all of the above listed SAP standards will be disqualified through a process that measures all qualitative and quantitative standards and checks each student's record for an eligible program of study. Students that do not meet the SAP standards will be notified via SWC email of the disqualification and will not be eligible to receive financial aid. SAP disqualified students are not eligible to receive Federal or State aid, with the exception of a Board of Governor's Fee Waiver (BOGFW), which is exempt from SAP regulations but subject to income eligibility requirements and its own eligibility standards set by the state legislature. *Please see "Board of Governor's Fee Waiver" page 13.*

Appeal

Students may appeal their SAP disqualification by completing an online SAP Orientation Workshop and then submitting a completed appeal packet to the Financial Aid Office. For a complete list of what students must submit and for more information about disqualification and the appeal process, please click [here](#).

The Committee will review the appeal and notify the student of the results. All decisions made by the Financial Aid Appeal Committee will be final. If the Committee approves the appeal and the student is able to meet SAP standards within one semester, the student will be reinstated for financial aid and placed on "Academic Plan". During their probationary semester, the student will be placed on an academic plan, meaning they must not receive any grades of F, W, NP, or I and must maintain a GPA of 2.0 or better and follow their Student Education Plan.

In order to remain eligible for financial aid, the student must comply with the conditions of the plan. If the appeal is denied, the student will remain disqualified and ineligible for financial aid.

Deadlines to submit SAP appeals are as follows:

Summer 2017 term - July 14, 2017

Fall 2017 term - November 15, 2017

Spring 2018 term - April 16, 2018

Summer 2018 term - July 13, 2018

Academic Plan

Students are placed on financial aid Academic Plan are eligible for Federal and State financial aid, if all other eligibility requirements are met. In order to be considered eligible for financial aid funds for subsequent semesters, students must meet all SAP standards at the end of the semester and/or meet all requirements of the student's Academic Plan.

SAP will be evaluated at the end of the probation semester after grades have been recorded to determine future eligibility for financial aid. The awarding and disbursement of subsequent financial aid may be delayed until grades are reviewed and an updated SAP status can be determined.

Reinstatement

Students who are placed on an Academic Plan but do not meet SAP standards at the end of the probationary term are disqualified for future aid until they can meet the standard. Students placed on an Academic Plan will have progress reviewed. Reinstatement is not automatic and is not guaranteed.

BOARD OF GOVERNORS FEE WAIVER (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California and who are eligible for need-based financial aid. The BOGFW pays enrollment fee for the academic year once eligibility has been determined. Other fees, such as the health, materials, parking, student body, and student representation fees must be paid by the student (**BOGFW-A and BOGFW-B can pay for some of these fees; please see various BOGFW methods in SWC BOG Fee Waiver link below*).

It is strongly recommended that students complete the [FAFSA](#) or [Dream Application](#) for the BOGFW program. BOGFW-only applications are available on-line through [CCCApply](#). Students must be admitted SWC before accessing CCCApply.

Eligibility for a BOGFW may be determined under less strict dependency criteria than federal funding requires. For more information about how to apply and the various types of BOG Fee waivers and eligibility please click [here](#) to visit SWC BOG Fee Waiver link.

Important! Effective Fall 2016, there are important eligibility changes to the BOGFW program

The Board of Governors Fee Waiver (BOGFW), available to eligible students, will waive your per unit enrollment fee at any California community college throughout the state. Once you've qualified for the BOG Fee Waiver, it's important to ensure that you're meeting the academic and progress standards in order to avoid losing it.

Academic - Sustain a GPA of 2.0 or higher

If your cumulative GPA falls below 2.0 for two consecutive primary terms (fall/spring semesters, or fall/winter/spring quarters), you may lose your fee waiver eligibility.

Progress - Complete more than 60 percent of your coursework

If the cumulative number of units you complete is not more than 60 percent in two consecutive primary terms (fall/spring semesters, or fall/winter/ spring quarters), you may lose your fee waiver eligibility.

Combination of Academic and Progress Standards

Any combination of two consecutive terms of cumulative GPA below 2.0, and/or cumulative unit completion of not more than 60 percent may result in loss of fee waiver eligibility.

Students have the right to appeal this disqualification to regain eligibility. Click [here](#) for more information.

AB540 STUDENTS/DREAMERS

On October 12, 2001, Governor Davis signed into law Assembly Bill 540 ([AB540](#)), which adds a new section to the California Education Code. It creates a new exemption from payment of nonresident tuition for certain nonresident students who have attended high school in California and received a high school diploma or its equivalent. This law provides an exemption from paying non-resident fees, however, it does not give the student resident classification status for any other purpose. Students who receive this exemption would be required to establish residency for any state-funded program (EOPS, BOGW, and Financial Aid).

Students must meet all of the following criteria:

- Attended a California high school for three or more years.
- Graduation or attainment of graduation equivalency from a California High School.
- Enrollment at a college not earlier than the Fall 2001 semester.
- Undocumented persons must complete an affidavit stating that the student has filed an application to legalize immigration status, or will do so as soon as the student is eligible.

Under AB131, students who are registered as AB540 students are entitled to apply for a BOGFW and should complete the [BOGFW application](#). For students needing to qualify under the BOGFW-C, students with a valid SSN should complete the FAFSA application and students without a valid SSN and/or with a DACA SSN should complete the [California Dream Application](#).

FINANCIAL AID PROGRAMS

When a student applies for financial aid, funds usually come from more than one source (*federal, state, private, etc.*) and the combination of financial resources is referred to as packaging. Once your financial need is determined, you will be awarded aid until your need has been met or until no additional funds are available. Please note that State programs are always subject to an approved state budget.

The aid year for 2017-18 at Southwestern College covers Fall 2017, Spring 2018 and Summer 2018. This section provides a general description of the programs available.

INSTITUTIONAL

Scholarships

Funds do not have to be repaid.

They vary in amount, requirements, criteria and many are not subject to federal aid eligibility requirements.

EOPS

Special assistance program for students who are socially, economically, and academically or language disadvantaged.

Assists students with counseling, money for books, emergency loans, priority registration, unlimited tutoring, and specialized support workshops.

Important Information – Federal Direct Student Loans

Experimental Sites Initiative for Student Loans

Effective 2017-18, Southwestern College has been approved by the U.S. Department of Education to participate in an experimental initiative to reduce the risk of loan default. This allows Southwestern College to require certain groups of students to undergo additional Direct Loan Entrance Counseling.

Student Loan Reporting

All federal student loans obtained by a student are reported to and tracked on the National Student Loan Data System (NSLDS). NSLDS loan records are accessible to all authorized NSLDS users, including schools, student loan guaranty agencies, lenders, federal agencies, and other authorized users in order to calculate future aid eligibility, or to resolve questions about the student loans or grants on a need-to-know basis.

Accessing NSLDS

Student loan borrowers may view their federal loan information at [NSLDS](#) using their [FSA ID](#).

Entrance/Exit Loan Counseling

Students are required to complete the Entrance Loan Counseling every academic year when applying for a loan. Exit Loan Counseling is required if a student drops below half time, withdraws or graduates. You may complete the Entrance/Exit Loan Counseling via the StudentLoans.gov Web site at <https://studentloans.gov>.

Master Promissory Note

The MPN is the legal document through which you promise to repay your Direct Loans and any accrued interest and fees to the Department. It also explains the terms and conditions of your loans. A Direct

Loan MPN can be used to make loans for up to ten (10) years. You may complete a Direct Loan MPN electronically via the StudentLoans.gov Web site at <https://studentloans.gov>.

To complete a Direct Loan MPN electronically, you must have a FSA ID. The FSA ID is the same identification used to complete the Free Application for Federal Student Aid (FAFSA). To create a New FSA ID, please click [here](#).

Grace Period

When borrowers cease to be enrolled at an eligible school on at least a half-time basis, a six-month grace period begins. The repayment period for a Direct Subsidized Loan begins and interest begins to accrue the day after the grace period ends. However, this provision eliminated the interest subsidy provided for subsidized loans first disbursed on or after July 1, 2012 and before Jul 1, 2014.

Repayment Plans

Monthly payment amounts will be based on how much you borrowed and how long it takes you to repay the loan. You can change the plans at any time. There are no penalties if you make payments before they are due or pay more than the amount due each month.

Please see **Appendix for a link to the various repayment plan options.*

Default

Taking out a Federal Direct Student Loan will have an impact on your future credit and financial aid eligibility. Failure to make regularly scheduled payments on your student loan can lead to a defaulted loan. If you are having difficulty repaying your loan, please contact your Direct Student Loan servicer by logging in to My Federal Student Aid at <https://studentaid.ed.gov>.

Direct Loan Application Timelines

Students are encouraged to submit all direct loan paperwork by the following dates to ensure prompt processing by the end of the term.

Fall 2017: November 9, 2017

Spring 2018: April 26, 2018

Summer 2018: June 20, 2018

If you have any questions on Direct Loans or the SWC Student Loan Program, please contact our Student Loan Specialist, Jon Jordan, at jjordan@swccd.edu He is available to meet with students during specialist

walk-in hours on Tuesdays from 1:30pm-3pm and Wednesdays from 10am-11:30am or by appointment.

Important Information – Lifetime Eligibility Use (LEU)

The amount of Federal Pell Grant funds you may receive over your lifetime is limited by federal law to be the equivalent of six years of full time Pell Grant funding. Since the maximum amount of Pell Grant funding you can receive each year is equal to 100% (or payment for 12 units or more for fall and spring semesters), the six-year equivalent is 600%. This includes Pell funding received at community colleges, vocational schools and four year public and private universities for the life of your academic career. Percentages are prorated if you enroll less than full time.

You can log on to [National Student Loan Data System \(NSLDS®\)](#) using your FSA ID and view your LEU. The LEU can be found on the Financial Aid Review page.

VERIFICATION

Each year, the U.S. Department of Education selects certain FAFSA applications for a process called “verification.” The law requires colleges to obtain information from the family that verifies the accuracy of the information that was reported on the FAFSA (*e.g. income, family size, benefits, educational level*). SWC verifies every file identified by the federal government as part of this process, using worksheets based on federal regulations and guidelines. Beyond those applications selected for federal verification, the law requires colleges to also request further documentation when a FAFSA application and/or subsequent paperwork appears incomplete, conflicting information is discovered or additional information is needed to complete processing the application.

The Financial Aid Office must identify and resolve any discrepancies in information received with respect to a student's application for Title IV aid. These items include, but are not limited to:

- Student aid applications.
- Need analysis documents (*e.g., Institutional Student Information Records (ISIRs) and Student Aid Reports (SAR)*).
- Federal income tax return transcripts and W2s.
- Documents and information related to a student's citizenship.

- School credentials (*e.g., high school diploma*).
- Documentation of the student's Social Security Number (SSN).
- Compliance with the Selective Service registration requirement.
- Child support, SNAP and/or military benefits.
- Unusual Enrollment History (UEH), when students have received federal funds at three or more schools in the last three years.

A student is not eligible to receive federal, state, and/or institutional need-based aid until all required paperwork has been submitted and processed. Students are contacted via SWC email and required documents are posted on the student's [MySWC Portal](#). This process can happen at any time during the year when a Student Aid Report (SAR) comment is generated or conflicting information is discovered that needs to be resolved. The verification process can result in a change of a student's financial aid eligibility. We strongly suggest you check your MySWC Portal for any required information. The Financial Aid office has the right to request any additional information required to complete the verification process.

Note: CA Dream Act Applications are also subject to verification.

PROFESSIONAL JUDGMENT

Request for Change of Income

The income information provided on the FAFSA is for the previous calendar year. What if a family's income changes because of a loss of employment, an accident, an illness or discharged from the military? There may be a loss of benefits such as child support, a divorce or a disability that changes the family's ability to pay for college. In cases of extenuating circumstances affecting a student's financial aid eligibility, a student can request special consideration by speaking with a Financial Aid Specialist and submitting the necessary paperwork.

Professional Judgment is the ability of an institution to make adjustments to a student's specific FAFSA data elements or his/her Cost of Attendance, based on their documentation.

If a family's income will change for the coming year, you may submit an Income Change Form along with the required documents to the Financial Aid Office AFTER you've been awarded.

Be sure your income change form is complete and all documentation has been submitted. The Financial Aid staff can use documented income changes to re-determine eligibility for aid. Adjusted Gross Income can also be reduced because of unusual medical expenses, K-12 school tuition costs, the support of an extended family member that does not reside with the family or unusual debt related to a bankruptcy, adoption, divorce, etc.

Dependency Overrides

Students who wish to request a change in dependency status are required to meet with a Financial Aid Specialist and submit a Change in Dependency Request Form, which must include a personal statement clarifying the rationale for their request and/or a letter from a third-party professional (*e.g.: pastor, counselor, teacher, caseworker, etc.*) and any other supporting documentation, such as court orders, police reports, etc.

None of the conditions listed below qualify as unusual circumstances meriting a dependency override:

- Parents refuse to contribute to the student's education.
- Parents are unwilling to provide information on the FAFSA or for verification.
- Parents do not claim the student as a dependent for income tax purposes.
- Student demonstrates total self-sufficiency.

Decisions to exercise professional judgment or a dependency override will be on a case-by-case basis and decisions regarding requests for adjustment are final and cannot be appealed. Overrides do not carry over from year to year.

DISBURSEMENT INFORMATION

Financial aid disbursements are made on a monthly basis by the Finance Office through BankMobile VIBE. Financial Aid funds will first reduce any debts owed to SWC and the remaining balance will go to students by the disbursement method chosen by the student (*direct deposit, BankMobile VIBE debit card or paper check*).

Each semester, students' Pell grants will be disbursed in two parts – 30% of that term's eligibility an initial disbursement at the beginning of the semester and the remaining 70% in a second disbursement approximately 60 days later. Students awarded after this disbursement will receive 100% of that term's eligibility. Please visit www.swccd.edu/fadisburse for a disbursement calendar for all types of financial aid.

Each semester, students' Cal Grants and Full-Time Student Success Grants will be disbursed after the semester's scheduled freeze date.

BankMobile VIBE

Southwestern College has partnered with BankMobile VIBE, a financial services company, to enable students to choose how they receive their financial aid funds – direct deposit, BankMobile VIBE debit card or paper check. Financial Aid staff can answer questions and assist in the sign up process. In addition, there is a webpage, including FAQs, and a special email address – financialaid@swccd.edu - specifically for questions and help with the process. Students must update their addresses with BankMobile VIBE, as well as in WebAdvisor, to ensure timely delivery of mail items. Click [here](#) for additional information on BankMobile VIBE, including [FAQs](#).

Credit Balance

Students with a balance remaining on their account after deducting any outstanding debt to Southwestern College will have funds transferred electronically (EFT) and will disburse the funds to students by one of the following options:

1. Credit the student's BankMobile VIBE account.
2. Transfer electronically (EFT) to student's preferred bank account.
3. Send a student a paper check.
4. Instant check (*BankMobile VIBE status preference inactive*).

The following funds are currently disbursed by BankMobile VIBE:

1. Pell Grant.
2. SEOG Grant.
3. Direct Loans.
4. Cal Grants (*California Grant*).
5. Full Time Student Success Grant.

Federal Work Study (FWS)

Payment is made on the end of each month for the hours worked during the previous month, Checks are available for pickup at the Cashiering Office at the Cesar Chavez Center, First Floor. FWS Funds are disbursed directly to students by the Cashiering Office.

Pell Advance

If you have been awarded a Pell Grant, but did not yet receive your disbursement within the first seven days of the term, you may use a portion of these funds to purchase books and supplies at the beginning of the semester (*Fall and Spring only*). You may complete a Pell Advancement Request form at the Financial Aid Office and receive credit at the Campus Bookstore for up to \$350. The entire amount of your Pell Advance will be deducted from your Pell disbursement and paid to the Bookstore on your behalf. Any unused portion of your Pell Advance may be cashed out at the Bookstore on the date notated on your request form.

WITHDRAWAL FROM COURSES AND RETURN TO TITLE IV (R2T4)

Title IV financial aid funds are awarded with the assumption that the student will attend school for the entire term for which the aid was awarded. Therefore, if a student withdraws, he/she may no longer be eligible for the full amount of Title IV funds originally scheduled to receive or may be eligible for a post withdrawal disbursement. For example, a student who withdraws in the second week of the semester has earned less of his/her financial aid than a student who withdraws in the fifth week. After the 60% point in the payment period, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period, and will not be required to return any funds.

Federal regulations require a recalculation of financial aid eligibility if a student:

- Reduces units, or;
- Completely withdraws, or:
- Stops attending before the end of the semester; or
- Does not complete all modules (courses which are not scheduled for the entire semester or payment period for which the student has registered at the time the modules began), or;
- Does not provide written confirmation to SWC at the time of ceasing attendance that the student plans to attend a future module during the same payment period.

Funds subject to a Return to Title IV (R2T4) calculation include Federal Direct Student Loans, Pell Grants, and Federal Supplemental Educational Opportunity Grants (FSEOG). Institutional scholarship funds and Federal Work Study are not subject to these calculations.

Reduction of Units or Change in Enrollment

When a student reduces his/her course unit load, but does not completely withdraw from all classes, there is a change in enrollment status. A Return to title IV calculation is not required, but a student's financial aid eligibility will be adjusted accordingly and can result in an Institutional Liability owed to the college. A hold will be placed on the student's record, prohibiting registration for future semesters or the receiving of academic transcripts until the debt is paid in full.

The R2T4 calculation will be completed within 30 days after the type and date of withdrawal is determined. If the student has been overpaid, he/she will be notified via email of the amount and program of funds that are required to be returned.

Students who have an **Institutional Liability** will have a hold placed on their record, prohibiting registration for future semesters or the receiving of academic transcripts until the debt is paid in full.

Students who have a **Student Liability** will be given a period of time (*but no more than 45 days*) in which to repay the debt to the institution, If payment in full is not received by the given date, the debt will be reported to the U.S. Department of Education's Debt Resolution Services. If unpaid after 45 days, a hold will be placed on the student's DoEd record and he/she will lose federal financial aid eligibility until the funds have been repaid.

Federal Direct Loans

Any student loan funds to be returned must be repaid in accordance with the terms of the promissory note, making scheduled payments to the lender or holder of the loan over a period of time.

Order of return of funds

The order of the R2T4 federal funds by Southwestern College is the following:

1. Federal Direct Loan Program, Unsubsidized.
2. Federal Direct Loan Program, Subsidized.

3. Federal Pell Grants.
4. Federal Supplemental Educational Opportunity Grants (FSEOG).

FREEZE DATE

Effective Fall 2014, each semester will have a “freeze date” for purposes of determining each student’s enrollment level for financial aid eligibility award amounts. On this “freeze date” we will record each student’s unit load (number of units enrolled) as of that date, which will determine the student’s eligibility for financial aid awards for the semester. Any classes that are added or dropped after this “freeze date” will not impact (*either increase or decrease*) the student’s financial aid unit load for the semester. However, students who withdraw from all classes or receive a grade of F, W, or NP, in all classes, will still be subject to an eligibility calculation that may result in financial aid funds having to be repaid to Southwestern College and/or the U.S. Department of Education.

The “freeze dates” for 2017-18 are:

Fall - September 08, 2017

Spring - April 20, 2018

Summer - June 14, 2018

If you are eligible for a Pell Grant or a Cal Grant, the grant amount you will receive is based on enrolled units and is prorated, depending the percentage of full-time enrollment you have on the “freeze date”. Your financial aid eligibility for the term will be based on your unit load, as recorded on March 6th.

12+ units	Full time or 100% eligibility
9-11.5 units	Three-quarter time or 75% eligibility
6- 8.5 units	Half time or 50% eligibility
Below 6 units	Less than half-time or 25% eligibility

- If you are enrolling in a short term course beginning later in the semester, you MUST add it through WebAdvisor no later than the semester’s freeze date to have the units included in your financial aid unit load for term.

- Classes added after this date will not be included in your financial aid unit load for financial aid purposes for the term.
- Classes dropped after this date will not be deducted from your financial aid unit load for financial aid purposes for the term.
- This “freeze date” is ONLY for financial aid purposes – it does not affect any other eligibility, such as Veterans’ benefits or EOPS.
- BOG Fee Waiver eligibility is NOT affected by the “freeze date”.
- Students who completely withdraw from classes or receive grades of F, W or NP in all classes will still be subject to an eligibility calculation that may result in financial aid funds having to be repaid to Southwestern College and/or the U.S. Department of Education. Please click [here](#) for our Withdrawal and Return to Title IV (R2T4) policy.
- Audited and wait-listed courses do not count as enrolled units for financial aid purposes.
- Adds or drops AFTER the “freeze date” will not change funding for the current semester but may impact satisfactory academic progress status.
- Please double check your enrollment status in WebAdvisor prior to the “freeze date” to ensure that you are properly registered in the correct classes.

Below are some examples of possible enrollment scenarios and the impact of the “freeze date” on your financial aid unit load.

1. If you were enrolled in 12 units on January 21st and dropped a 3-unit class on February 23rd, and never added any more classes, you would be at 9 units, which is considered three-quarter time.
2. If you were enrolled in 9 units on January 21st and add a 3-unit class on March 2nd, you would be at 12 units, which is considered full time.
3. If you were enrolled in 6 units on January 21st and add two 3-unit classes on March 23rd, you will still only be at 6 units for financial aid purposes, since your additional units were added *after* the freeze date of March 6th.
4. If you were enrolled in 12 units on January 21st and drop a 3-unit class on April 4th, you will still be at 12 units for financial aid purposes, since you dropped units *after* the freeze date of March 6th.
