STUDENTS NEED TO COMPLETE
THESE 3 STEPS TO BE ELIGIBLE FOR
ENROLLMENT PRIORITY REGISTRATION.
REGISTRATION INFORMATION WILL BE
EMAILED TO YOU.

ENROLLMENT PRIORITY REGISTRATION

Enrollment priority and the registration date will be determined when students have completed; 1) New Student Orientation Part One 2) Assessment, and 3) New Student Orientation Part Two and First Semester Plan. Students have to be in a Good Academic Standing.

The California Community College Board of Governors approved a policy change to establish system-wide registration priorities in an effort to improve student success. The regulations are designed to ensure that classes are available for students seeking career advancement, an associate degree or transfer, and to reward students who are making academic progress towards their academic goals. Consequently, enrollment priorities have been redefined and changes have been in effect since Fall 2014.

Under the regulations, new or returning students who have completed assessment, orientation and the student education plan, as well as continuing students in good academic standing who have not exceeded 100 units (not to include units in Basic skills, English as a Second Language) will have enrollment priority over students who do not meet these criteria. Students will now register for courses according to an enrollment priority system as defined by Title 5 regulations and the Southwestern Community College District.

LEVEL 1

State-mandated enrollment priority groups: Foster Youth or Former Foster Youth, Homeless Youth, Active Military, Veterans, EOPS, DSS and CalWORKS

LEVEL 2

College enrollment priority groups: Associated Student Organization-Executive & Senate Members, District Identified Learning Communities, MESA, University Links, Vocational Rehabilitation, Honors Program and eligible student athletes

LEVEL 3

SWC Early Admission Program students (Fall term only)

LEVEL 4

Continuing Students in good standing with less than 100 degree-applicable units completed at SWC.

- a) 50 units – 90 units
- b) 30 units – 49 units
- c) 0–29 units

FINANCIAL AID PROGRAMS

FEDERAL PROGRAMS

- Federal Pell Grants are funds that do not need to be repaid. The amount of money awarded is based upon a student's need and the number of units enrolled.
- Federal Supplemental Educational Opportunity Grant (FSEOG) is awarded to eligible undergraduate students with exceptional financial need. It is awarded on a "first-come, first-served" basis and is dependent upon funds available.
- Federal Work-Study (FWS) is a program which provides employment to help pay for part of a student's educational costs and is based on financial need. Students on FWS may work approximately 15 hours per week on or off campus.
- William D. Ford Federal Direct Subsidized and Unsubsidized Loans are funds that must be repaid. Loan amounts follow federal guidelines and will be determined at the time the Financial Aid Office certifies a loan application. Both entrance and exit counseling are requirements and students must maintain at least half-time enrollment status to receive a loan.

STATE PROGRAMS

- Board of Governors Fee Waiver (BOGFW) is a program that waives the \$46/unit enrollment fees for eligible students. Students must be a California resident or verified AB540 student and meet the requirements one of the following categories:

- BOGFW A: Student or parent must currently be receiving Temporary Assistance for Needy Families (TANF), CalWORKs, Supplemental Security Income (SSI), State Supplemental Program (SSP), or General Assistance (GA). Documentation is required.
- BOGFW-B: Student must meet income standards based on family size. Documentation may be required.
- BOGFW-C: Student must have applied for FAFSA and demonstrate required level of financial need.

IMPORTANT: Effective Fall 2016, there were important eligibility changes to the BOGFW program. Students who are placed on academic and/or progress probation or disqualification in two consecutive primary terms (fall and spring) will lose eligibility for BOGFW. Students will be notified within 30 days of the end of the term and will have the ability to regain eligibility via appeal, working back into satisfactory academic status or sitting out two consecutive primary terms. There are special consideration factors for CalWORKs, EOPS, DSPS and student veterans. Foster youth and former foster youth who are 24 years old and younger are exempt from these regulations. For more information, please go to www.swccd.edu/bogfwchanges.

- Cal Grants A, B & C are state-funded grants given to California college students and do not have to be repaid. Students must be California residents or verified AB540 student, enrolled at least half-time (6 units), have a high school diploma and meet federal aid requirements. Cal Grants B & C are the only CalGrant awards offered at SWC. AB540 Students: Under AB131, students who are registered as AB540 are entitled to receive CalGrants. Students with valid SSNs should complete the FAFSA application and students without SSNs should complete the California Dream Application.
- Chafee Grants are administered by the California Student Aid Commission (CSAC). The program is for foster or former foster youth to help pay for college, career or technical training. Funding is limited.
- Full Time Student Success Grant (FTSSG) is a program that provides awards to Cal Grant B recipient students who are enrolled full time (12 units or more per semester, in the fall and/or spring semesters). FTSSG is a state funded program and is subject to funding availability.
- Child Development Grants are administered by the California Student Aid Commission (CSAC). The program is for students who are pursuing a Child Development permit to teach or supervise in a licensed California Child Care Center.

SCHOLARSHIPS

A scholarship is aid that does not have to be repaid. Scholarships are available in the fall and spring semesters. The online application, as well as additional information on scholarships and scholarship eligibility, can be found at www.swccd.edu/scholarships.

DISBURSEMENTS

Financial aid disbursements are made on a monthly basis by the Finance Office. Students awarded financial aid may receive their aid by electronic deposit made to a students' existing bank account, paper check or deposit directly to the SWC Access Card.

Financial Aid funds will first reduce any debts owed to SWC and the remaining balance will go to students by the disbursement method chosen by the student.

WITHDRAWAL FROM COURSES AND RETURN OF TITLE IV FUNDS

Financial Aid funds are awarded under the assumption that students will attend school for the entire payment period or period of enrollment for which the aid was awarded and will complete all the units on which their award was calculated. Students who withdraw from all classes will have the amount of Title IV Federal Financial Aid that was earned and are entitled to keep determined by a mandated federal formula.

Satisfactory Academic Progress (SAP) Standards

Federal and state financial aid regulations require Southwestern College to establish, define, and apply Satisfactory Academic Progress standards for all financial aid applicants. The regulations require that SAP be evaluated every academic year, and measure both the qualitative standard (cumulative GPA) and quantitative standards (completion rate, Pace) and (Maximum Time Frame). Students enrolled in a program of less than two years (Certificate of Achievement) are reviewed for SAP after the end of every semester. All periods of enrollment at Southwestern College and applicable transferable units from other colleges will be included as part of the SAP review.

- Grade Point Average (GPA) Requirement (Qualitative) - students are required to maintain a minimum cumulative GPA of 2.0 or better.
- Unit Completion Rate – Pace of Progress (Quantitative) - students are required to complete a minimum of 67% of the units in which they have enrolled. All units are considered in this calculation. Units for which a grade of W, I, NP and/or F was received are considered as units attempted but not completed.

- Maximum Time Frame (Quantitative) – students must complete their academic program within a maximum time frame of 150% of the published program's required units. For example, associate in arts, associate in science and transfer degrees generally require 60 units to complete, so 150% of these programs would be 90 units.
 - Repeated courses will count toward the 150% maximum units allowed.
 - The maximum time frame will not be extended for students who change academic programs or have prior degrees or certificates.
 - Students who have a bachelor's degree or higher from a domestic or foreign school have exceeded the maximum time frame and will not be eligible for additional financial aid.

Students who are disqualified have the right to appeal the decision, by participating in a SAP Workshop and providing a written statement describing the extenuating circumstances experiences, what has changes and how those changes will ensure future academic success. More information can be found at www.swccd.edu/sap.

REGISTRATION POLICIES AND DEFINITIONS

Note: All forms are available online at www.swccd.edu: Under Admissions click "Printable Forms." Assistance and processing are available at the Chula Vista campus and Higher Education Centers at National City, Otay Mesa, and San Ysidro.

ADDING CLOSED CLASSES

Once classes start, students need to attend the first class meeting to obtain instructor approval to enroll. If space permits, the instructor will issue an add code. Students can use add codes on WebAdvisor or go to to any of the Admissions Offices for assistance with WebAdvisor. Students taking online classes need to contact their faculty and request an add code for enrollment. If there is space, the instructor will issue the add code via email. After the student has acquired the add code, then follow the WebAdvisor instructions noted above. Note: Students on the waitlist will be given first priority if space becomes available.

CANCELLED CLASS

A cancelled class means that the College is unable to offer the class. The College reserves the right to cancel any class after the schedule goes to print.

CLOSED CLASS

A class closes when the maximum seat capacity has been reached. During registration a waitlist is created. Students wishing to register for a closed class after class begins must go to the class or contact their faculty for online classes. See entry above, "Adding Closed Classes," for additional information.

COREQUISITES

A corequisite is a course which must be taken during the same semester as another course. In other words, when a course has a corequisite listed, you must register for those courses (often a lecture and lab) concurrently. Knowing the information being presented in the corequisite course is deemed necessary for successful completion of the other course(s). When dropping or withdrawing from a course that has a corequisite, both courses must be dropped concurrently. Corequisites are enforced at Southwestern College. Students may challenge corequisites; see College Catalog for challenge policy and procedures.

COURSE REPETITION

A student may not register for a class in which a passing grade has previously been received, or the maximum number of repetitions allowed have been completed.

A student may receive any combination of three (3) substandard academic work (D, F or NP grade) and/or "W" withdrawal symbol on his or her official record for enrollment in the same course. If the student can demonstrate extenuating circumstances requiring one additional repetition, the student may petition and attach the supporting documentation. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student

See "Academic/College Policies" in this class schedule for additional information.

DUPLICATE COURSE

Students may not register for two (2) classes with the same course number and title.

HIGH SCHOOL SPECIAL ADMISSIONS

High school students who are enrolled in grades 10–12 with a minimum grade point average of 2.5 may be admitted for concurrent enrollment at SWC. A High School Special Form signed by the high school principal is required. All necessary forms and instructions are available at Admissions and Records. Enrollment is limited to no more than two (2) classes or six (6) units per semester or summer session. See the SWC College Catalog for more information.

Students enrolled in home school programs must meet one of the following criteria:

1. The home school program must be affiliated with a county department of education program.
2. Must be taught by a person holding a California teaching credential, or
3. Must hold a current private school affidavit filed with the State Superintendent of Public Instruction.

LIMITATION ON ENROLLMENT

Performance courses may require students to try out for intercollegiate athletic teams or to audition for courses involving public performances prior to enrollment.

Enrollment in blocks of courses or sections may be a requirement so that a group of students will enroll together in that set of classes. Typically the students are part of a special program such as a Learning Community.

Enrollment may be limited due to legal requirements (imposed by statute, regulation, and/or contract). For example, some courses may require that the student have a valid driver license, a health clearance, a nursing license or certificate, etc.

Limitations on enrollment are enforced at Southwestern College. Students may challenge limitations on enrollment; see College Catalog for challenge policy and procedures.

PREREQUISITES

When a course has a prerequisite, students must have specific knowledge or skills to register for and be successful in the course. The prerequisite can be a skill, an assessment result or successful completion (grade of A, B, C, or P has been earned) in a prior course. If prerequisites were completed at another college or university, students must bring copies of appropriate transcripts/grade reports and/or assessment results to the Assessment Center to clear the requirements prior to registration. Students may challenge prerequisites; see College Catalog for challenge policy and procedures.

RECOMMENDED PREPARATION

A course or previous training that a student should complete—but is not required to complete—to help ensure success in the indicated course. Completion of the recommended preparation course with a grade of “C” or better increases student success. You are strongly encouraged to follow recommended preparation whenever it is listed in the class schedule to improve your chances for success. Enrollment may not be denied to any student not meeting a recommended preparation.

RECOMMENDED CONCURRENT ENROLLMENT

A course that a student should complete—but is not required to complete—while enrolled in another course. You are strongly encouraged to follow recommended concurrent enrollment whenever it is listed in the class schedule to improve your chances for success. Enrollment may not be denied to any student not meeting a recommended concurrent enrollment.

REGISTRATION STATEMENT

The Registration Statement is proof of enrollment or waitlist status in classes. Registration statements can be obtained through WebAdvisor at any time. Students should review their Registration Statements carefully to verify registration, class meeting days and times, locations and fee payment. Instructors, labs and any office on campus may request to see a student’s Registration Statement prior to providing services.

SEE A COUNSELOR

For assistance in the evaluation and selection of educational or occupational goals and to relate selection of classes to abilities and objectives. The advice received will be based on many different factors, such as assessment results, transcripts, and educational or career technical goals. To schedule appointments with counselors, start by filing a Student Success Needs Assessment with the Counseling Center and soon after you will be provided a plan for success.

THIRTY UNIT REMEDIATION LIMIT

Students will not receive credit for more than 30 units of remedial or basic skills courses in the District. A student who exhausts this unit limitation will be referred to appropriate noncredit continuing education services.

TIME CONFLICT/CLASS OVERLAY

Students are not permitted to register for two (2) classes that are scheduled during the same or overlapping time periods, even if the instructor will allow it. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses. Class overlays are only allowed under special circumstances with appropriate dean approval.

WAITLIST

Waitlists will become available at the beginning of the registration period as classes fill. As a student drops from the class roster, the first student on the waitlist will be notified by email of the reserved space available to register in the class. The student will have three (3) calendar days to register in the class and make payment for the class. If the student does not register in the class within three (3) days, they will be dropped from the waitlist. Note: Students without an email address or do not meet eligibility requirements will not be moved into the class.

If you add yourself to a waitlist and enroll for another section of the same course you will be dropped from the waitlisted course. The waitlist may be used during the first week only. Instructors will issue an add code and have the student take the code to Admissions or enter their add code in WebAdvisor for online students. Students may register with add codes on WebAdvisor at <https://webadvisor.swccd.edu>.

ACADEMIC/COLLEGE POLICIES

ACADEMIC ACCOMMODATION

Students with verified disabilities who may require academic adjustments or auxiliary aids are strongly recommended to contact the Disability Support Services Office (DSS) early to ensure timely provision of services. Students are encouraged to identify themselves to the appropriate instructors to discuss the details and timelines necessary to provide appropriate accommodations. Students enrolled in online courses are encouraged to contact DSS to request academic accommodation.

ACADEMIC HONESTY

Academic honesty is expected from all students at Southwestern College. Dishonesty in the classroom, cheating or plagiarism, and/or knowingly furnishing false information to the College are grounds for discipline. (See Standards of Student Conduct procedure).

ADDRESS AND TELEPHONE CHANGES

Students can update their mailing address, email address and telephone number on WebAdvisor at <https://webadvisor.swccd.edu>. Failure to comply will result in an administrative hold. This information is critical in receiving emergency and safety information by email, cell phone, etc.

ATTENDANCE

Each student is expected to attend every class meeting. In the case of absence, it is the student's responsibility to inform the instructor. Instructors may drop any student who fails to attend the first class meeting if the class is at maximum enrollment and other students are waiting to enroll. Online students must login and perform any requested tasks on the first day of class.

AUDITING COURSES

If you want to take a class to learn a new language or new skill and don't need the college credit, auditing may be an option for you. To audit a class you need to obtain a course audit application form before you go to the class. Audit petitions are available online under Admissions, then printable forms. If there is space available, the instructor will sign the form. You must return the form to any Admission Office for processing. Students taking the class for college credit have first priority for acceptance.

The charge for auditing is \$15 per unit plus the mandatory health fees. A maximum of two classes may be audited in any regular instructional term (fall, spring, and/or summer). If you are enrolled for college credit in ten (10) or more units, you may audit one (1) three-unit class for free. Once you choose the audit option for a class you cannot change to college credit.

STUDENT-RIGHT-TO-KNOW

In compliance with the Student Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542) and as a service to its community, the Southwestern Community College District makes available its completion and transfer rates to all current and prospective students.

Beginning in Spring 2001 a cohort of all college students who were certificate, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. The completion and transfer rates are based on information submitted by each college to the U.S. Department of Education. Based on the cohort defined above, 36.2 percent of the SWC cohort attained a certificate or degree or became transfer-prepared from Spring 2000 to Spring 2003. In addition, 18.1 percent transferred to another postsecondary institution (University of California, California State University, or another California community college) during the same three-year period.

Note that the above rates do not represent the success rates of the entire student population at Southwestern College (SWC), nor

do they account for student outcomes occurring after this three-year tracking period. Additionally, the rates do not describe other important features about the College and its students. As one of the top 100 associate degree producers in the nation—and the twelfth highest degree producer for minorities—SWC contributes significantly to the lives of thousands of students in assisting them to meet their educational goals (Community College Week analysis of U.S. Department of Education Data, November 12, 2001).

More information concerning SRTK is available from the Office of Academic Affairs. Additional information can be found at the following Website: srtk.cccco.edu/index.asp.
