## COLLEGE POLICE AND SAFETY

The safety and wellbeing of our students, faculty, and staff is important. Although the campus is a safe place, crime does occur.

In order to keep all constituent groups informed, the Southwestern College Campus Police maintain a Crime Awareness and Campus Safety Report (which can be accessed online with the following link: <http://www.swccd.edu/index.aspx?page=911>). The purpose of this report is to heighten community awareness about campus crime and prevention.

A truly safe campus can only be achieved through the cooperation of everyone. Campus emergencies can be reported by dialing \*91 on any college telephone. Students may arrange for an escort to and from class by contacting the respective police office at the Chula Vista campus and the Higher Education Centers at National City, Otay Mesa and San Ysidro.

If you need additional information, please stop by the Southwestern College Campus Police Office located in Building 100, Room 105D, on the Chula Vista campus.

## NO SMOKING POLICY

Smoking is prohibited at all campus locations including but not limited to all enclosed places of employment, including enclosed patios, lobbies, lounges, elevators, stairwells, restrooms, and all District-owned vehicles. This prohibition shall apply to all on-campus buildings, including enclosed patios, as well as all extension sites that are owned or leased by the District. Smoking shall be prohibited in all District-owned vehicles. Policy and Procedure No. 3570

## STUDENT-RIGHT-TO-KNOW

In compliance with the Student Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542) and as a service to its community, the Southwestern Community College District makes available its completion and transfer rates to all current and prospective students.

Beginning in Spring 2001 a cohort of all college students who were certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. The completion and transfer rates are based on information submitted by each college to the U.S. Department of Education. Based on the cohort defined above, 36.2 percent of the SWC cohort attained a certificate or degree or became transfer-prepared from Spring 2000 to Spring 2003. In addition, 18.1 percent transferred to another postsecondary institution (University of California, California State University, or another California community college) during the same three-year period.

Note that the above rates do not represent the success rates of the entire student population at Southwestern College (SWC), nor do they account for student outcomes occurring after this three-year tracking period. Additionally, the rates do not describe other important features about the College and its students. As one of the top 100 associate degree producers in the nation—and the twelfth highest degree producer for minorities—SWC contributes significantly to the lives of thousands of students in assisting them to meet their educational goals (Community College Week analysis of U.S. Department of Education Data, November 12, 2001).
