Associate of Science in Business Administration for Transfer (Major Code: 01105)

This degree prepares students for transfer admission to any California State University campus within the field of Business Administration. This major is designed to equip students with the knowledge, skills, practices, and values to understand the complex and changing global business environment. Individual courses promote comprehension of the field, foster problem solving, and provide basic analytical and conceptual skills. In addition to meeting the requirement for transfer to any California State University (such as SDSU, for example), the courses listed meet the lower-division requirements for most universities offering a bachelor's degree with a major in business or accounting.
