Southwestern College's Athletic Department is proud to partner with the Southwestern College Foundation (SWCF) in hosting the Southwestern College Golf Tournament. The tournament will benefit the SWC Athletic Endowment Fund and the SWC Athletic Advancement Fund, including these under-funded areas that support student learning:

- Provides student scholarships for SWC athletes transferring to a four-year college or university
- Underwrites special events and programs that advance SWC's athletic programs by funding sports-related educational activities not covered by the college's operational budget. This includes a resource library for SWC athletes, a student leadership program, professional development for coaches, and post-season team sports competition.
