How to Input Data into eLumen-Faculty Role.pdf; TA_SLOs SP17.pdf; eLumen Lab Announcement FA17.pdf;

Hi All!

The eLumen Lab is up and running. It is located in room 216A (a conference room inside the MSE School Office). Someone will be in the lab everyday through Friday, December 8, from 9-2. Please stop by if you would like assistance entering scores into eLumen. *Please scroll down for details.*

SLO data should be entered into eLumen by December 13th (the same day final grades are due).

Please contact Jessica Posey or Rebecca Wolniewicz if you cannot see your SLOs in eLumen when you log in.

Respectfully,

Jessica Posey

Rebecca Wolniewicz

Subject: SLOs and eLumen Walk-In Lab

Dear Colleagues,

Greetings from your SLO Co-Coordinators. The end of the semester is near, and it's time to compile results for SLO assessment.

Currently, all SLO assessments are being distributed to you in eLumen, and distribution *should* be completed by the first week of Finals Week. **If you log in early to eLumen, your assessment packages may not appear, so please do NOT attempt to search for or create your own.** Please visit the eLumen Walk-In Lab or contact [Jessica Posey](#) or [Rebecca Wolniewicz](#) for assistance.

Directions for accessing eLumen and entering scores are attached. For faculty in need of one-on-one assistance, the eLumen Lab will be available on the following dates and times:

eLumen Walk-In Lab
Monday, December 4 – Friday December 8
9:00 AM to 2:00 PM
Room: 216A

Please check with your department to determine which SLOs you are assessing this semester. Please input all data into eLumen by the day grades are due – **Wednesday, December 13.**

For information regarding SLO assessment participation, please review the SCEA MOU attached to this email.

Please contact an SLO Co-Coordinator with any questions. We are more than happy to help you.

Respectfully,

Jessica Posey
