

# Getting to Know Canvas

## Canvas Orientation

Did you know that SWC offers [Canvas Orientations](#) ? You will find them at a variety of times during the start of the semester, and they are offered both on campus and online via Zoom. If these aren't convenient for you, please watch this 10-minute video that briefly covers the major topics.

## Canvas Guides for Students

If you want to know how to do something in Canvas, there's a Guide for that! The Canvas Guides are mini-tutorials on specific topics, and they can be bookmarked and printed for future use. You can get to the Canvas Guides from the Help menu, and I have also collected a few of them here:

[Canvas Student Quickstart Guide](#) : just the basics to get you started

[Canvas Student Guide](#) : comprehensive manual, organized into topics like Discussions and Assignments

[Canvas Video Guides](#) : see how to set your notification preferences, submit assignments, use the Grades area, and more
