Subject: Facilities Master Plan Campus & Community Forums

Message sent on behalf of Tim Flood and the Facilities Master Plan Refresh Taskforce

As a reminder there are multiple Facilities Master Plan (FMP) Refresh forums being held this month on the main campus and at the higher education centers.

Please join us for an exciting opportunity to review and discuss the long range vision for Southwestern College, see preliminary recommendations and share your thoughts and ideas. We invite you to attend any of the four presentations listed below.
