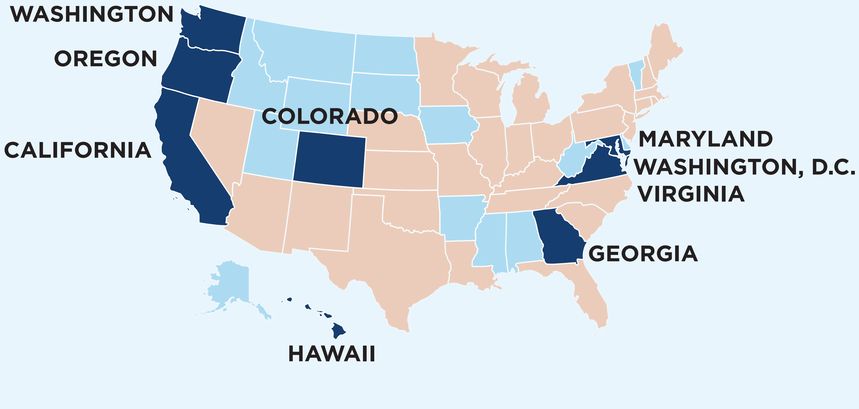
WHERE YOU CAN FIND KAISER PERMANENTE



*If you get care at a MinuteClinic or any other urgent care facility within a state where Kaiser Permanente operates, you'll be asked to pay up front for services you receive and file a claim for reimbursement.

**If you get care at a MinuteClinic outside a state where Kaiser Permanente operates, you'll be charged your standard copay or co-insurance. With the exception of Medicaid enrollees from regions outside California, all members are eligible.

***You may be covered for medically necessary urgent care when you are outside the country if the care can't be delayed until you get back home. Medi-Cal members in Northern and Southern California are only covered for emergency services requiring hospitalization in Canada or Mexico. Other Medicaid members are not covered outside the US.
