Terms to Remember

PREREQUISITE: a prerequisite is a course or qualification that must be satisfactorily completed before you may register for another course. A minimum grade of “C” or “Pass” must be earned in the prerequisite course.

COREQUISITE: a corequisite is a course which must be taken during the same semester as the indicated course. Students who do not take the corequisites can be dropped from the courses requiring the corequisite.

RECOMMENDED PREPARATION: Recommended preparation is previous training or coursework that helps the student successfully complete a subsequent course. Completion of the recommended preparation course with a grade of “C” or better increases student success.

RECOMMENDED CONCURRENT ENROLLMENT: Recommended concurrent enrollment is a course that a student should complete—but is not required to complete—while enrolled for another course. Enrollment in such a course improves student success.

LIMITATION ON ENROLLMENT: Performance courses may require students to try out for intercollegiate athletic teams or to audition for courses involving public performances (for example chorus, competitive speech, and theatre) prior to enrollment.

Enrollment in blocks of courses or sections may be a requirement so that a group of students will enroll together in that set of classes. Typically students are part of a special program such as PUENTE, First Year Experience, Umoja, etc.

Enrollment may be limited due to legal requirements (imposed by statute, regulation, and/or contract).

Enrollment Priority Registration

Enrollment priority and the registration date will be determined when students have completed; 1) New Student Orientation Part One 2) Assessment, and 3) New Student Orientation Part Two and First Semester Plan. Students have to be in a Good Academic Standing.

The California Community College Board of Governors approved a policy change to establish system-wide registration priorities in an effort to improve student success. The regulations are designed to ensure that classes are available for students seeking career advancement, an associate degree or transfer, and to reward students who are making academic progress towards their academic goals. Consequently, enrollment priorities have been redefined and changes have been in effect since Fall 2014.

Under the regulations, new or returning students who have completed assessment, orientation and the student education plan, as well as continuing students in good academic standing who have not exceeded 100 units (not to include units in Basic skills, English as a Second Language) will have enrollment priority over students who do not meet these criteria. Students will now register for courses according to an enrollment priority system as defined by Title 5 regulations and the Southwestern Community College District.

Level 1

State-mandated enrollment priority groups: Homeless/Foster Youth or Former Foster Youth, Homeless Youth, Active Military, Veterans, EOPS, DSS and CalWORKs

Level 2

College enrollment priority groups: Associated Student Organization-Executive & Senate Members, District Identified Learning Communities, MESA, University Links, Vocational Rehabilitation, Honors Program and eligible student athletes

Level 3

SWC Early Admission Program students (Fall term only)

Level 4

Continuing Students in good standing with less than 100 degree-applicable units completed at SWC.

- 50 units–90 units
- 30 units–49 units
- 0–29 units
- 90 units–99 units

Level 5

Open Enrollment–New and Returning students on a first come, first served basis

Level 6

- Student who have lost enrollment priority enrollment
- Students with 100 or more units

What can I do if I lose my enrollment priority?

Enrollment priority shall be lost at the first registration opportunity after the student:

- Placed on academic or progress probation for two consecutive terms; or
- Earned 100 or more degree applicable semester units

Students who have lost enrollment priority can petition to appeal their status, if they can provide documentation for the following area:

Extenuating Circumstances:

Extenuating circumstances: Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student. Examples of documentation include: medical records, police reports, court documents, etc.

Students with Disabilities: Academic Accommodations

Student with disabilities should contact DSS for questions regarding enrollment priority at 619-482-6512, VP 619-207-4480, DSS@swccd.edu.

Students who have demonstrated significant academic improvement:

Students who have demonstrated significant academic improvement defined as achieving no less than the minimum grade point average and progress standards. Examples of documentation include: Transcript which shows academic improvement in a minimum of two semesters.

Students who are enrolled in high unit majors or units in categories listed below:

Students who are enrolled in High Unit Majors or have accumulated units from Advanced Placement, 2+2 or Credit by Examination.

Honor Students:

Honors Students who have no other available opportunity for honor addendums, based on their academic goal. Examples of documentation include: Honors addendum contracts for the completion of at least 15 semester units and Student Education Plan. (Conflict in work or class schedule is not a valid reason not enrolling in an honors addendum)

Final semester before degree certificate and/or Transfer Completion:

Student is within his/her final semester of degree, certificate and/or transfer completion. Examples of documentation include: Student Education Plan, updated transcript must show only the remaining classes before graduation.

Step 5

Registration

Register for classes on WebAdvisor on or after your registration date, or visit one of our Admissions Offices for assistance.

Before you register

- Refer to your registration appointment to ensure that you are registering online via MySWC/Webadvisor on or after your assigned registration time.
- Clear any outstanding fees or holds.
- Meet prerequisites. Unofficial transcripts or grade notices can be used for prerequisite review. (Room S107)
- Develop an Abbreviated Student Educational Plan (SEP) through New Student Orientation Part 2, or visit the Counseling Center for assistance.

Registration Online

To register go to MySWC (<http://myswccd.edu>), click “Log In,” enter your User ID and Password. First time users will need to set up their account first on MySWC, <http://swccd.edu>. Read the login instructions carefully.

Don't remember your password? Click on the “Forgot password” link on MySWC. Follow the steps and verification code will be sent to your cell phone or email address. This will enable you to set up a new password for MySWC, which will also be your new WebAdvisor password.

Step 6 Pay Fees

Students may pay their fees online through MySWC/WebAdvisor, in person at the Cashier's Office located at the Chula Vista campus and Higher Education Centers, or by phone. To pay by phone, call Student Accounts at 619-482-6314.

For Fall 2018, there will be two drop for nonpayment dates: July 23 and August 13, 2018. If a student owes more than \$184 by Monday, July 23, they will be dropped from classes that cause their unpaid balance to be in excess of \$184. The drop sequence will be from last enrollment to first. Students will be allowed to enroll again, however the same rule will apply on the second drop date on Monday, August 13. After August 13, students are responsible for dropping their classes by the appropriate refund deadlines or they will be financially responsible.

If a student is registered or active in any class after the term begins, it will be the student's responsibility to drop themselves if not attending. Non-payment or non-attendance does not release the student from this responsibility and may result in a failing grade being issued with fees owed.

Fee payment method

Students may pay fees by credit card, check/money order, or cash. See page 10 for more information about fees.

Optional: Apply for Financial Aid at www.swccd.edu/financialaid

Federal and State Financial Aid is available for qualified students. Apply online at www.fafsa.ed.gov or visit the Financial Aid Office at any College location for additional information.

Step 7 Send your Transcripts

Official transcripts from all accredited external institutions attended are needed to award prior credit for degrees and certificates. College transcripts will be evaluated by the Evaluations Office located in the Student Services Center. Official transcripts must be sent directly from other schools, colleges and universities to the Admissions Office. Hand-carried transcripts will not be accepted. If you have ever attended another college or university, request transcripts be sent to:

Financial Aid Programs

Federal Programs

- Federal Pell Grants are funds that do not need to be repaid. The amount of money awarded is based upon a student's need and the number of units enrolled.
- Federal Supplemental Educational Opportunity Grant (FSEOG) is awarded to eligible undergraduate students with exceptional financial need. It is awarded on a "first-come, first-served" basis and is dependent upon funds available.
- Federal Work-Study (FWS) is a program which provides employment to help pay for part of a student's educational costs and is based on financial need. Students on FWS may work approximately 15 hours per week on or off campus.
- William D. Ford Federal Direct Subsidized and Unsubsidized Loans are funds that must be repaid. Loan amounts follow federal guidelines and will be determined at the time the Financial Aid Office certifies a loan application. Both entrance and exit counseling are requirements and students must maintain at least half-time enrollment status to receive a loan.

State Programs

- **CALIFORNIA COLLEGE PROMISE GRANT (CCPG)** formerly the Board of Governors Fee Waiver, is a program that waives the \$46/unit enrollment fees for eligible students. Students must be a California resident or verified AB540 student and meet the requirements one of the following categories:
- **BOGFW-A:** Student or parent must currently be receiving Temporary Assistance for Needy Families (TANF), CalWORKs, Supplemental Security Income (SSI), State Supplemental Program (SSP), or General Assistance (GA). Documentation is required.
- **BOGFW-B:** Student must meet income standards based on family size. Documentation may be required.
- **BOGFW-C:** Student must have applied for FAFSA and demonstrate required level of financial need.

IMPORTANT: Effective Fall 2016, there were important eligibility changes to the CCPG program. Students who are placed on academic and/or progress probation or disqualification in two consecutive primary terms (fall and spring) will lose eligibility for CCPG at the first registration opportunity after the determination is made. Students will be notified within 30 days of the end of the term, which will include information about available student support services. Students will have the ability to regain eligibility via appeal, working back into satisfactory academic status or sitting out two consecutive primary terms. There are special consideration factors for CalWORKS, EOPS, DSPS and student veterans. Foster youth and former foster youth who are 24 years old and younger are exempt from these regulations. For more information, please go to www.swccd.edu/bogfwchanges.

- **CAL GRANTS A, B & C** are state-funded grants given to California college students and do not have to be repaid.

Students must be California residents or verified AB540 student, enrolled at least half-time (6 units), have a high school diploma and meet federal aid requirements. Cal Grants B & C are the only CalGrant awards offered at SWC.

AB540 Students: Under AB131, students who are registered as AB540 are entitled to receive CalGrants. Students with valid SSNs should complete the FAFSA application and students without SSNs should complete the California Dream Application.

- **CHAFEE GRANTS** are administered by the California Student Aid Commission (CSAC). The program is for foster or former foster youth to help pay for college, career or technical training. Funding is limited.
- The **STUDENT SUCCESS COMPLETION GRANT (SSCG)** is a state grant provided to students to help offset the total cost of community college attendance. It incentivizes students to enroll at least full time and to ensure on-time completion of their program of study. Students must be receiving the Cal Grant B or C and be meeting Satisfactory Academic Progress standards. Students enrolled in 12–14 units each term (fall/spring) will be eligible for up to \$1,298 annually and students enrolled in 15 units per semester will be eligible for up to \$4,000 annually. Students may also use units enrolled in the summer term to maximize program eligibility. SSCG is a state funded program and is subject to the availability of funds each year.

Scholarships

A scholarship is aid that does not have to be repaid. Scholarships are available in the fall and spring semesters. The online application, as well as additional information on scholarships and scholarship eligibility, can be found at www.swccd.edu/scholarships.

Disbursements

Financial aid disbursements are made on a monthly basis by the Finance Office. Students awarded financial aid may receive their aid by electronic deposit made to a students' existing bank account, paper check or deposit directly to the BankMobile VIBE! Card. The disbursement schedule can be viewed at www.swccd.edu/fadisburse.

Financial Aid funds will first reduce any eligible debts owed to SWC and the remaining balance will go to students by the disbursement method chosen by the student.

Withdrawal from Courses and Return of Title IV Funds

Financial Aid funds are awarded under the assumption that students will attend school for the entire payment period or period of enrollment for which the aid was awarded and will complete all the units on which their award was calculated. Students who withdraw from all classes will have the amount of Title IV Federal Financial Aid that was earned and are entitled to keep determined by a mandated federal formula.

Satisfactory Academic Progress (SAP) Standards

Federal and state financial aid regulations require Southwestern College to establish, define, and apply Satisfactory Academic Progress standards for all financial aid applicants. The regulations require that SAP be evaluated every academic year, and measure both the qualitative standard (cumulative GPA) and quantitative standards (completion rate, Pace) and (Maximum Time Frame). Students enrolled in a program of less than two years (Certificate of Achievement) are reviewed for SAP after the end of every semester. All periods of enrollment at Southwestern College and applicable transferable units from other colleges will be included as part of the SAP review.

- **GRADE POINT AVERAGE (GPA) REQUIREMENT (QUALITATIVE)**—students are required to maintain a minimum cumulative GPA of 2.0 or better.
- **UNIT COMPLETION RATE**—Pace of Progress (Quantitative) - students are required to complete a minimum of 67% of the units in which they have enrolled. All units are considered in this calculation. Units for which a grade of W, I, NP and/or F was received are considered as units attempted but not completed.
- **MAXIMUM TIME FRAME (QUANTITATIVE)**—students must complete their academic program within a maximum time frame of 150% of the published program's required units. For example, associate in arts, associate in science and transfer degrees generally require 60 units to complete, so 150% of these programs would be 90 units.
- Repeated courses will count toward the 150% maximum units allowed.
- The maximum time frame will not be extended for students who change academic programs or have prior degrees or certificates.
- Students who have a bachelor's degree or higher from a domestic or foreign school have exceeded the maximum time frame and will not be eligible for additional financial aid.

Students who are disqualified have the right to appeal the decision, by participating in a SAP Workshop and providing a written statement describing the extenuating circumstances experiences, what has changes and how those changes will ensure future academic success. More information can be found at www.swccd.edu/sap.

More information on all financial aid programs, policies and procedures can be found at www.swccd.edu/financialaid.

Registration Policies and Definitions

NOTE: All forms are available online at www.swccd.edu: Under Admissions click “Printable Forms.” Assistance and processing are available at the Chula Vista campus and Higher Education Centers at National City, Otay Mesa, and San Ysidro.

Adding Closed Classes

Once classes start, students need to attend the first class meeting to obtain instructor approval to enroll. If space permits, the instructor will issue an add code. Students can use add codes on MySWC/ WebAdvisor or go to any of the Admissions Offices for assistance with WebAdvisor. Students adding online classes need to contact their instructors to request add codes for enrollment. If there is space, the instructor will issue the add code via email. After acquiring the add code, students can enroll in the course on MySWC/Webadvisor. Note: Students on the waitlist will be given first priority if space becomes available.

Cancelled Class

A cancelled class means that the College is unable to offer the class. The College reserves the right to cancel any class after the schedule goes to print.

Closed Class

A class closes when the maximum seat capacity has been reached. During registration a waitlist is created. Students wishing to register for a closed class after class begins must go to the class or contact their instructor for online classes. See entry above, “Adding Closed Classes,” for additional information.

Corequisites

A corequisite is a course which must be taken during the same semester as another course. In other words, when a course has a corequisite listed, you must register for those courses (often a lecture and lab) concurrently. Knowing the information being presented in the corequisite course is deemed necessary for successful completion of the other course(s). When dropping or withdrawing from a course that has a corequisite, both courses must be dropped concurrently. Corequisites are enforced at Southwestern College. Students may challenge corequisites; see College Catalog for challenge policy and procedures.

Course Repetition

A student may not register for a class in which a passing grade has previously been received, or for which the maximum repetitions have been completed.

A student may receive a maximum any combination of three (3) substandard academic work (D, F or NP grade) and/or “W” withdrawal symbol on the official record for enrollment in the same course. If the student can demonstrate extenuating circumstances requiring one additional repetition, the student may petition. Student should attach supporting documentation. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student

See “Academic/College Policies” in this class schedule for additional information.

Duplicate Course

Students may not register or waitlist for two (2) classes with the same course number and title.

High School Special Admissions

High school students who are enrolled in grades 10–12 with a minimum grade point average of 2.5 may be admitted for concurrent enrollment at SWC. A High School Special Form signed by the high school principal and high school counselor is required. All necessary forms and instructions are available at Admissions and Records. Enrollment is limited to no more than six (6) units per semester or summer session. See the SWC College Catalog for more information.

Students enrolled in home school programs must meet one of the following criteria:

1. The home school program must be affiliated with a county department of education program.
2. Must be taught by a person holding a California teaching credential, or
3. Must hold a current private school affidavit filed with the State Superintendent of Public Instruction.

Limitation on Enrollment

Performance courses may require students to try out for intercollegiate athletic teams or to audition for courses involving public performances prior to enrollment.

Enrollment in blocks of courses or sections may be a requirement so that a group of students will enroll together in that set of classes. Typically the students are part of a special program such as a Learning Community.

Enrollment may be limited due to legal requirements (imposed by statute, regulation, and/or contract). For example, some courses may require that the student have a valid driver license, a health clearance, a nursing license or certificate, etc.

Limitations on enrollment are enforced at Southwestern College. Students may challenge limitations on enrollment; see College Catalog for challenge policy and procedures.

Online Class Restrictions

In accordance with federal regulations, Southwestern College may not permit students residing outside of California to enroll in online classes.

Prerequisites

When a course has a prerequisite, students must have specific knowledge or skills to register for and be successful in the course. The prerequisite can be a skill, an assessment result or successful completion (grade of A, B, C, or P has been earned) in a prior course. If prerequisites were completed at another college or university, students must bring copies of appropriate transcripts/grade reports and/or assessment results to the Assessment Center to clear the requirements prior to registration. Students may challenge prerequisites; see College Catalog for challenge policy and procedures.

Recommended Concurrent Enrollment

A course that a student should complete—but is not required to complete—while enrolled in another course. You are strongly encouraged to follow recommended concurrent enrollment whenever it is listed in the class schedule to improve your chances for success. Enrollment may not be denied to any student not meeting a recommended concurrent enrollment.

Recommended Preparation

A course or previous training that a student should complete—but is not required to complete—to help ensure success in the indicated course. Completion of the recommended preparation course with a grade of “C” or better increases student success. You are strongly encouraged to follow recommended preparation whenever it is listed in the class schedule to improve your chances for success. Enrollment may not be denied to any student not meeting a recommended preparation.

Registration Statement

The Registration Statement is proof of enrollment or waitlist status in classes. Registration statements can be obtained through MySWC/ WebAdvisor at any time. Students should review their Registration Statements carefully to verify registration, class meeting days and times, locations and fee payment. Instructors, labs and any office on campus may request to see a student’s Registration Statement prior to providing services.

See a Counselor

Developing a comprehensive Student Education Plan (SEP) is critical in understanding the requirements and resources needed to successfully fulfill your education and/or occupational goals. Counselors will help you understand the myriad of factors such as previous academic history, course placement results, transcripts, current employment and familial responsibilities, and personal motivation that play an important role in your success. To schedule an appointment with a counselor, start by completing a Student Success Needs Assessment with the Counseling Center.

Thirty Unit Remediation Limit

Students will not receive credit for more than 30 units of remedial or basic skills courses in the District. A student who exhausts this unit limitation will be referred to appropriate noncredit continuing education services.

Time Conflict/Class Overlay

Students are not permitted to register for two (2) classes that are scheduled during the same or overlapping time periods, even if the instructor will allow it. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses. Class overlays are only allowed by petition, and never for courses that overlap more than 15 minutes per day or 30 minutes per week.

Waitlist

Waitlists will become available at the beginning of the registration period as classes fill. As a student drops from the class roster, the first student on the waitlist will be notified by email of the reserved space available to register in the class. The student will have three (3) calendar days to register in the class and make payment for the class. If the student does not register in the class within three (3) days, they will be dropped from the waitlist.

NOTE: Students who do not meet eligibility requirements will not be moved into the class.

If you add yourself to a waitlist and enroll for another section of the same course you will be dropped from the waitlisted course. The waitlist may be used during the first week only. Instructors will issue an add code and have the student take the code to Admissions or enter their add code in WebAdvisor for online students. Students may register with add codes on WebAdvisor at <https://webadvisor.swccd.edu>.

Academic/College Policies

Academic Accommodation

Students with verified disabilities who may require academic adjustments or auxiliary aids are strongly recommended to contact the Disability Support Services Office (DSS) early to ensure timely provision of services. Students are encouraged to identify themselves to the appropriate instructors to discuss the details and timelines necessary to provide appropriate accommodations. Students enrolled in online courses are encouraged to contact DSS to request academic accommodation.

Academic Honesty

Academic honesty is expected from all students at Southwestern College. Dishonesty in the classroom, cheating or plagiarism, and/or knowingly furnishing false information to the College are grounds for discipline. (See Standards of Student Conduct procedure).

Address and Telephone Changes

Students can update their mailing address, email address and telephone number on WebAdvisor at <https://webadvisor.swccd.edu>. Failure to comply will result in an administrative hold. This information is critical in receiving emergency and safety information by email, cell phone, etc.

Attendance

Each student is expected to attend every class meeting. In the case of absence, it is the student’s responsibility to inform the instructor. Instructors may drop any student who fails to attend the first class meeting if the class is at maximum enrollment and other students are waiting to enroll. Online students must login and perform any requested tasks on the first day of class to confirm attendance.

Auditing Courses

If you want to take a class to learn a new language or new skill and don't need the college credit, auditing may be an option for you. To audit a class you need to obtain a course audit application form before you go to the class. Audit petitions are available online under Admissions, then Printable Forms. If there is space available, the instructor will sign the form. You must return the form to any Admissions Office for processing. Students taking the class for college credit have first priority for acceptance.

The charge for auditing is \$15 per unit plus the mandatory health fees. A maximum of six (6) units may be audited in any regular instructional term (fall, spring, and/or summer). If you are enrolled for college credit in ten (10) or more units, you may audit one (1) three-unit class for free. Once you choose the audit option for a class you cannot change to college credit.

Student-Right-to-Know

In compliance with the Student Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542) and as a service to its community, the Southwestern Community College District makes available its completion and transfer rates to all current and prospective students.

Beginning in Spring 2001 a cohort of all college students who were certificate, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. The completion and transfer rates are based on information submitted by each college to the U.S. Department of Education. Based on the cohort defined above, 36.2 percent of the SWC cohort attained a certificate or degree or became transfer-prepared from Spring 2000 to Spring 2003. In addition, 18.1 percent transferred to another postsecondary institution (University of California, California State University, or another California community college) during the same three-year period.

Note that the above rates do not represent the success rates of the entire student population at Southwestern College (SWC), nor do they account for student outcomes occurring after this three-year tracking period. Additionally, the rates do not describe other important features about the College and its students. As one of the top 100 associate degree producers in the nation—and the twelfth highest degree producer for minorities—SWC contributes significantly to the lives of thousands of students in assisting them to meet their educational goals (Community College Week analysis of U.S. Department of Education Data, November 12, 2001).

More information concerning SRTK is available from the Office of Academic Affairs. Additional information can be found at the following Website: srtk.cccco.edu/index.asp.
