Columbia University Admissions Presentation

The School of General Studies–Columbia University's college for returning and nontraditional students offers the rigor of a liberal arts education from one of America's finest universities. GS is committed to supporting students who transition from two-year colleges to a four-year university. Our students are fully integrated into the academic life of Columbia, taking classes with peers in the other undergraduate colleges, sharing the same Arts & Sciences faculty, and earning a Bachelor's degree from Columbia University.
