

STUDENT SUCCESS

Reference: *Association of Community College Trustees*

The Governing Board of Southwestern Community College District affirms its commitment to ensure access, success and equity for all students by providing accessible, accredited, affordable, quality learning opportunities for development of intellectual skills and personal growth, and/or achievement of educational and career goals.

The Governing Board commits itself to making student success an integral part of all aspects of the College District's operations, including:

- I. Strategic Goals
- II. Community Partnerships
- III. Measurements & Metrics
- IV. Board & Institutional Priorities

See District Procedure No. 2780 AP – Student Success.
