## What are the benefits?

- Enhanced admission opportunities to the most selective transfer institutions
- Increased scholarship opportunities
- Special recognition on transcript
- Intellectual growth and exploration of new ideas and concepts
- Increased learning opportunities through research, study and independent projects
- One-on-one mentoring from faculty members in the field of interest
- Networking opportunities with faculty and students at Southwestern College (SWC), four-year institutions and graduate schools
- Career and employment networking opportunities

## Admission Requirements:

1. Entering freshman – Have an overall minimum GPA of 3.5 in all high school work.  
Continuing student - Have completed a minimum of 12 units of college-level courses with a GPA of 3.2 in college work.
2. Complete Honors Program Application.
3. Provide copies of transcripts of previous academic work. Unofficial copies will be accepted. Entering freshman submit high school transcript and continuing college student submit college transcript.
4. Must be eligible for English 115 and proficient in college-level reading.

Interested students may register for an Honors course during the registration period and complete an Honors application during the first four weeks of class. Each Honors course taken and accepted by the Honors Committee is recorded as such on the transcript.

## Program Completion Requirements:

1. Complete a minimum of 15 units or more in Honors courses.
2. Maintain a minimum GPA of 3.2 in all Honors courses and a minimum overall GPA of 3.2

**Check the Southwestern College website to access the Honors Program through Quick Links. For more specific information on course content, contact the instructor listed. For general information and to apply to the Honors Program after the semester has begun, contact the Honors counselor, Nicholas Nguyen, in the Transfer Center, 619.421.6700 ext 5468**
