

Inaugural Jaguar Award Celebration
Coasterra Restaurant and Events
880 Harbor Island Drive
11:30 a.m.

Dear Community Partner,

The Southwestern College Foundation invites you to join us as a sponsor for our inaugural **Jaguar Award Celebration & Luncheon**. We will be honoring exemplary community members, who continually go above and beyond to support Southwestern College, their community, and most importantly, our students. Our 2016 Honorees are Hank & Shirley Murphy and Scott & Susan McMillin. They exemplify what it means to be a Jaguar, and we are excited to celebrate their contributions!

As a sponsor of this exceptional event, you are helping to provide educational advancement opportunities for Southwestern College students through scholarships for those in need and the opportunity for students to attend educational trainings, conferences, and competitions to help build skills beyond those learned in a classroom. Your support allows deserving students to complete their college education, experience enhanced learning opportunities and become successful contributors to the community and economic health and wellness of our region. Whether you are providing a financial sponsorship or a donated auction item, your contribution will play a role in ensuring student success at Southwestern College.

Please join us as we honor Hank & Shirley Murphy and Scott & Susan McMillin, and raise much needed funds for student scholarships and educational success. For questions or to confirm your sponsorship of the Southwestern College Foundation's inaugural Jaguar Award Celebration & Luncheon, please contact Katie Gomez at (619) 421-6700 x5962 or kgomez@swccd.edu

About the Jaguar Awards

The Southwestern College Foundation Jaguar Awards are given annually to individuals who have made a significant and positive impact on Southwestern College, its students and the region.

Beneficiary

Proceeds from the Jaguar Award Celebration benefits Southwestern College students who need financial support to successfully complete their college education and Southwestern College programs to enhance excellence in educational programming that is not possible through limited and restricted state funding.
