ENROLLMENT PRIORITY REGISTRATION

Enrollment priority and the registration date will be determined when students have completed; 1) New Student Orientation Part One 2) Assessment, and 3) New Student Orientation Part Two and First Semester Plan. . Students have to be in a Good Academic Standing.

The California Community College Board of Governors approved a policy change to establish system-wide registration priorities in an effort to improve student success. The new regulations are designed to ensure that classes are available for students seeking career advancement, an associate degree or transfer, and to reward students who are making academic progress towards their academic goals. Consequently, enrollment priorities have been redefined and changes have been in effect since Fall 2014.

Under the new regulations, new or returning students who have completed assessment, orientation and the student education plan, as well as continuing students in good academic standing who have not exceeded 100 units (not to include units in Basic skills, English as a Second Language) will have enrollment priority over students who do not meet these criteria. Students will now register for courses according to an enrollment priority system as defined by Title 5 regulations and the Southwestern Community College District.

LEVEL 1

State-mandated enrollment priority groups: Foster Youth or Former Foster Youth, Active Military, Veterans, EOPS, DSS and CalWORKs

LEVEL 2

College enrollment priority groups: Associated Student Organization-Executive & Senate Members, District Identified Learning Communities, MESA, University Links, Vocational Rehabilitation, Honors Program and eligible student athletes

LEVEL 3

SWC Early Admission Program students (Fall term only)

LEVEL 4

Continuing Students in good standing with less than 100 degree-applicable units completed at SWC.

- a) 50 units-90 units
- b) 30 units-49 units
- c) 0-29 units
- d) 90 units-99 units

LEVEL 5

Open Enrollment–New and Returning students on a first come, first served basis

LEVEL 6

Student who have lost enrollment priority enrollment Students with 100 or more units

What can I do if I lose my enrollment priority?

ENROLLMENT PRIORITY SHALL BE LOST AT THE FIRST REGISTRATION OPPORTUNITY AFTER THE STUDENT:

- Placed on academic or progress probation for two consecutive terms; or
- Earned 100 or more degree applicable semester units

Students who have lost enrollment priority can petition to appeal their status, if they can provide documentation for the following area:

EXTENUATING CIRCUMSTANCES:

EXTENUATING CIRCUMSTANCES: Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student. Examples of documentation include: medical records, police reports, court documents, etc.

STUDENTS WITH DISABILITIES: Academic Accommodations Students who applied for academic accommodations, but did not receive reasonable accommodations in a timely manner.

STUDENTS WITH A DISABILITY who are authorized for priority enrollment: Students with a disability who are authorized for priority enrollment as a DSS authorized academic accommodation and are making progress towards their academic goal.

STUDENTS WHO HAVE DEMONSTRATED SIGNIFICANT ACADEMIC IMPROVEMENT: Students who have demonstrated significant academic improvement defined as achieving no less than the minimum grade point average and progress standards. Examples of documentation include: Transcript which shows academic improvement in a minimum of two semesters.

STUDENTS WHO ARE ENROLLED IN HIGH UNIT MAJORS OR UNITS IN CATEGORES LISTED BELOW: Students who are enrolled in High Unit Majors or have accumulated units from Advanced Placement, 2+2 or Credit by Examination.

HONOR STUDENTS: Honors Students who have no other available opportunity for honor addendums, based on their academic goal. Examples of documentation include: Honors addendum contracts for the completion of at least 15 semester units and Student Education Plan. REGISTRATION POLICIES AND DEFINITIONS

Note: All forms are available online at **www.swccd.edu**: Under Admissions click "Printable Forms." Assistance and processing are available at the Chula Vista campus and Higher Education Centers at National City, Otay Mesa, and San Ysidro.

ADDING CLOSED CLASSES

Once classes start, students need to attend the first class meeting to obtain instructor approval to enroll. If space permits, the instructor will issue an add code. Students can use add codes on WebAdvisor or go to to any of the Admissions Offices for assistance with WebAdvisor. Students taking online classes need to contact their faculty and request an add code for enrollment. If there is space, the instructor will issue the add code via email. After the student has acquired the add code, then follow the WebAdvisor instructions noted above. **Note:** Students on the waitlist will be given first priority if space becomes available.

CANCELLED CLASS

A cancelled class means that the College is unable to offer the class. The College reserves the right to cancel any class after the schedule goes to print.

CLOSED CLASS

A class closes when the maximum seat capacity has been reached. During registration a waitlist is created. Students wishing to register for a closed class after class begins must go to the class or contact their faculty for online classes. See entry above, "Adding Closed Classes," for additional information.

COREQUISITES

A corequisite is a course which must be taken during the same semester as another course. In other words, when a course has a corequisite listed, you must register for those courses (often a lecture and lab) concurrently. Knowing the information being presented in the corequisite course is deemed necessary for successful completion of the other course(s). When dropping or withdrawing from a course that has a corequisite, both courses must be dropped concurrently. Corequisites are enforced at Southwestern College. Students may challenge corequisites; see College Catalog for challenge policy and procedures.

COURSE REPETITION

A student may not register for a class in which a passing grade has previously been received, or the maximum number of repetitions allowed have been completed.

A student may receive any combination of three (3) substandard academic work (D, F or NP grade) and/or "W" withdrawal symbol on his or her official record for enrollment in the same course. If the student can demonstrate extenuating circumstances requiring one additional repetition, the student may petition and attach the supporting documentation. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student

See "Academic/College Policies" in this class schedule for additional information.

DUPLICATE COURSE

Students may not register for two (2) classes with the same course number and title.

HIGH SCHOOL SPECIAL ADMIT

High school students who are enrolled in grades 10–12 with a minimum grade point average of 2.5 may be admitted for concurrent enrollment at SWC. A High School Special Form signed by the high school principal is required. All necessary forms and instructions are available at Admissions and Records. Enrollment is limited to no more than two (2) classes or six (6) units per semester or summer session. See the SWC College Catalog for more information.

Students enrolled in home school programs must meet one of the following criteria:

- 1. The home school program must be affiliated with a county department of education program.
- Must be taught by a person holding a California teaching credential, or
- 3. Must hold a current private school affidavit filed with the State Superintendent of Public Instruction.

LIMITATION ON ENROLLMENT

Performance courses may require students to try out for intercollegiate athletic teams or to audition for courses involving public performances prior to enrollment.

Enrollment in blocks of courses or sections may be a requirement so that a group of students will enroll together in that set of classes. Typically the students are part of a special program such as a Learning Community.

Enrollment may be limited due to legal requirements (imposed by statute, regulation, and/or contract). For example, some courses may require that the student have a valid driver license, a health clearance, a nursing license or certificate, etc.

Limitations on enrollment are enforced at Southwestern College. Students may challenge limitations on enrollment; see College Catalog for challenge policy and procedures.

PREREQUISITES

When a course has a prerequisite, students must have specific knowledge or skills to register for and be successful in the course. The prerequisite can be a skill, an assessment result or successful completion (grade of A, B, C, or P has been earned) in a prior course. If prerequisites were completed at another college or university, students must bring copies of appropriate transcripts/grade reports and/or assessment results to the Assessment Center to clear the requirements prior to registration. Students may challenge prerequisites; see College Catalog for challenge policy and procedures.

RECOMMENDED PREPARATION

A course or previous training that a student should complete—but is not required to complete—to help ensure success in the indicated course. Completion of the recommended preparation course with a grade of "C" or better increases student success. You are strongly encouraged to follow recommended preparation whenever it is listed in the class schedule to improve your chances for success. Enrollment may not be denied to any student not meeting a recommended preparation.

RECOMMENDED CONCURRENT ENROLLMENT

A course that a student should complete—but is not required to complete—while enrolled in another course. You are strongly encouraged to follow recommended concurrent enrollment whenever it is listed in the class schedule to improve your chances for success. Enrollment may not be denied to any student not meeting a recommended concurrent enrollment.

REGISTRATION STATEMENT

The Registration Statement is proof of enrollment or waitlist status in classes. Registration statements can be obtained through WebAdvisor at any time. Students should review their Registration Statements carefully to verify registration, class meeting days and times, locations and fee payment. Instructors, labs and any office on campus may request to see a student's Registration Statement prior to providing services.

SEE A COUNSELOR

For assistance in the evaluation and selection of educational or occupational goals and to relate selection of classes to abilities and objectives. The advice received will be based on many different factors, such as assessment results, transcripts, and educational or career technical goals. To schedule appointments with counselors, start by filing a Student Success Needs Assessment with the Counseling Center and soon after you will be provided a plan for success.

THIRTY UNIT REMEDIATION LIMIT

Students will not receive credit for more than 30 units of remedial or basic skills courses in the District. A student who exhausts this unit limitation will be referred to appropriate noncredit continuing education services.

TIME CONFLICT/CLASS OVERLAY

Students are not permitted to register for two (2) classes that are scheduled during the same or overlapping time periods, even if the instructor will allow it. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses. Class overlays are only allowed under special circumstances with appropriate dean approval.

WAITLIST

Waitlists will become available at the beginning of the registration period as classes fill. As a student drops from the class roster, the first student on the waitlist will be notified by email of the reserved space available to register in the class. The student will have three (3) calendar days to register in the class and make payment for the class. If the student does not register in the class within three (3) days, they will be dropped from the waitlist. **Note:** Students without an email address or do not meet eligibility requirements will not be moved into the class.

If you add yourself to a waitlist and enroll for another section of the same course you will be dropped from the waitlisted course. The waitlist may be used during the first week only. Instructors will issue an add code and have the student take the code to Admissions or enter their add code in WebAdvisor for online students. Students may register with add codes on WebAdvisor at https://webadvisor.swccd.edu.

ACADEMIC/COLLEGE POLICIES

ACADEMIC ACCOMMODATION

Students with verified disabilities who may require academic adjustments or auxiliary aids are strongly recommended to contact the Disability Support Services Office (DSS) early to ensure timely provision of services. AUDITING COURSES

If you want to take a class to learn a new language or new skill and don't need the college credit, auditing may be an option for you. To audit a class you need to obtain a course audit application form before you go to the class. Audit petitions are available online under Admissions, then printable forms. If there is space available, the instructor will sign the form. You must return the form to any Admission Office for processing. Students taking the class for college credit have first priority for acceptance.

The charge for auditing is \$15 per unit plus the mandatory health fees. A maximum of two classes may be audited in any regular instructional term (fall, spring, and/or summer). If you are enrolled for college credit in ten (10) or more units, you may audit one (1) three-unit class for free. Once you choose the audit option for a class you cannot change to college credit.

The safety and wellbeing of our students, faculty, and staff is important. Although the campus is a safe place, crime does occur.

In order to keep all constituent groups informed, the Southwestern College Campus Police maintain a Crime Awareness and Campus Safety Report (which can be accessed online with the following link: http://www.swccd.edu/index.aspx?page=911). The purpose of this report is to heighten community awareness about campus crime and prevention.

A truly safe campus can only be achieved through the cooperation of everyone. Campus emergencies can be reported by dialing *91 on any college telephone. Students may arrange for an escort to and from class by contacting the respective police office at the Chula Vista campus and the Higher Education Centers at National City, Otay Mesa and San Ysidro.

If you need additional information, please stop by the Southwestern College Campus Police Office located in Building 100, Room 105D, on the Chula Vista campus.

NO SMOKING POLICY

Smoking is prohibited at all campus locations including but not limited to all enclosed places of employment, including enclosed patios, lobbies, lounges, elevators, stairwells, restrooms, and all District-owned vehicles. This prohibition shall apply to all on-campus buildings, including enclosed patios, as well as all extension sites that are owned or leased by the District. Smoking shall be prohibited in all District-owned vehicles. Policy and Procedure No. 3570

STUDENT-RIGHT-TO-KNOW

In compliance with the Student Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101–542) and as a service to its community, the Southwestern Community College District makes available its completion and transfer rates to all current and prospective students.

Beginning in Spring 2001 a cohort of all college students who were certificate, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. The completion and transfer rates are based on information submitted by each college to the U.S. Department of Education. Based on the cohort defined above, 36.2 percent of the SWC cohort attained a certificate or degree or became transfer-prepared from Spring 2000 to Spring 2003. In addition, 18.1 percent transferred to another postsecondary institution (University of California, California State University, or another California community college) during the same three-year period.

Note that the above rates do not represent the success rates of the entire student population at Southwestern College (SWC), nor do they account for student outcomes occurring after this three-year tracking period. Additionally, the rates do not describe other important features about the College and its students. As one of the top 100 associate degree producers in the nation—and the twelfth highest degree producer for minorities—SWC contributes significantly to the lives of thousands of students in assisting them to meet their educational goals (Community College Week analysis of U.S. Department of Education Data, November 12, 2001).

More information concerning SRTK is available from the Office of Academic Affairs. Additional information can be found at the following Website: **srtk.ccco.edu/index.asp**.

SOUTHWESTERN COMMUNIT COLLEGE DISTRICT EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT, POLICY NO. 3420

The Southwestern Community College District shall not discriminate against any person in employment or in any program affiliated with the District on the basis of age, ancestry, color, ethnic group identification, national origin, religion, race, gender or sex, sexual orientation, physical or mental disability, veteran status, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The District is committed to the implementation of its EEO Plan and to overcoming all forms of institutional and/or personal exclusion or discrimination within the District, whether purposeful or inadvertent. The Governing Board, administration, faculty and staff must recognize that equal employment opportunity is a shared responsibility. Each employee must be held accountable for application and enforcement of the EEO Plan within his or her area of authority. It is only through combined efforts that the District will successfully develop and maintain a workforce that is welcoming to all persons. The District will ensure that the recruitment, screening, selection, hiring and promotional processes are in accordance with principles of equal employment opportunity. In addition, the District will comply with Title I and Title II of the Americans with Disabilities Act of 1990, thereby promoting the values of diversity and inclusion, benefiting all members of the Southwestern Community College District, including individuals from all ethnic and other groups protected from discrimination by Title 5, section 53000 et seq.

The Governing Board supports the intent set forth by the California Legislature to assure continuing good faith efforts are made to build a community in which opportunity is equalized. Its goal is to foster a climate of acceptance, with the inclusion of faculty and staff from a wide variety of backgrounds. It agrees that diversity in the academic environment fosters cultural awareness, mutual understanding, harmony and respect, increased student success and better enables students to flourish as citizens of the world. The Governing Board therefore commits itself to promoting the total realization of equal employment through a continuing equal employment opportunity program.

Note: The District's EEO Plan is posted on the website, and is available in hard copy in the Offices of the Superintendent/President, the Vice President for Human Resources, Vice President for Academic Affairs, Vice President for Student Affairs and Vice President for Business & Financial Affairs.
