## Inaugural YOUTH SAILING ACADEMY a SUCCESS!

Volume 1, Issue 1 APRIL 2013

Keeping with the tradition of hosting aquatic camps during local school vacations, CCAC offered its first-ever **Youth Sailing Academy!** Three 1-week sessions provided young sailors, grades 2 through 12, the opportunity to learn basic seamanship, rigging, recovery, terminology, knot tying and navigation on a fleet of 14' and 12' Hobies and 22' Catalina sailboats! The sailors were thrilled when they actually could solo sail the Hobie 12's. They also loved sailing up to the Coronado Bridge and stopping by Joe's Crab Shack for refreshments!

Youth Sailing Academy in action during Spring Break

**REGISTRATION NOW OPEN for SUMMER '13 CAMPS**

#### Sand Volleyball Venue Undergoes Transformation

In collaboration with the CA State Parks Team, the CCAC renovated the Sand Volleyball venue this past winter. Old rusted poles were removed, courts were reoriented to run North-South and much needed additional sand was applied. Treated lumber poles were sunk directly into the sand and new hardware to support the nets was purchased and installed. Four new courts await students who are interested in learning and playing SAND VOLLEYBALL!

### DID YOU KNOW?

**SWC credit courses at Crown Cove Aquatic Center are open to students in 9th grade and up. Still the greatest deal in town—learn how to paddle, sail and surf for only \$46 per unit.**

National Safe Boating Week
