

ALCOHOLIC BEVERAGES

The Business and Profession Code, Section 25608, states that:

Any person who possesses, consumes, sells, gives or delivers to any other person any alcoholic beverage in or on any public schoolhouse or any of the grounds thereof is guilty of a misdemeanor. This section does not, however, make it unlawful for any person to acquire, possess or use any alcoholic beverage in or on any public schoolhouse or on any grounds thereof if the alcoholic beverage is acquired, possessed or used in connection with a course of instruction given at the school and such person has been authorized to acquire, possess or use it by the governing body or any other administrative head of the school.
