

Graduation Requirements for Degrees and Certificates

*References: Education Code Section 70902(b)(3);
Title 5 Sections 55060 et seq.*

The Governing Board grants degrees and certificates based on requirements developed by the local curriculum committee of the Academic Senate, pursuant to College District Policy No. 2515, "Role & Scope of the Academic Senate".

The College District grants local degrees of Associate in Arts or Science as well as Associate Degrees for Transfer to those students who have completed the subject requirements for graduation, general education, residency, and competency requirements set forth in Title 5 regulations.

Students may be awarded Certificates of Achievement or Proficiency upon successful completion of courses of study or curriculum for which the College District offers a certificate.

The College District shall assure that graduation requirements are published in the College District's catalog(s) and included in other resources that are convenient for students.
