

Service Learning Volunteer Partner Directory

Fall 2013 – Spring 2014

Welcome

Thank you for your interest in the Southwestern College Service Learning program. The intent of this Directory is to provide you with a list of organizations that are partnering with the program to provide meaningful volunteer opportunities. These organizations are looking forward to working with you.

Please review the organizations and choose a community partner that has volunteer opportunities available that meet your learning objectives for your course, and match your interests. **Once you find an organization, please call the contact person directly to discuss and set up your volunteer placement. Let them know your learning objectives and number of hours you'd like to volunteer.** If you need help with this process, please contact the office for assistance. All of the program's forms are online and available in the Service Learning office.

Please keep the Service Learning office informed of any concerns, problems, successes or other pertinent issues. The staff is here to facilitate the entire process and ensure that all parties have the information they need. Following is the program contact information, feel free to contact us at any time.

CHULA VISTA ELEMENTARY SCHOOL DISTRICT

The Service Learning Program does not have a contact person for every school in this district, however we do have a contract with the district that would allow a service learning student to volunteer at any of the schools and receive service learning credit.

Below is a list of schools that have indicated they would like student volunteers to assist in their classrooms. Please contact the person directly if you would like to volunteer at their site.

If you are interested in volunteering at a school in the Chula Vista Elementary School District that is not listed below, please contact the district office directly and let them know you would like to volunteer at one of their schools. They can then provide you with information on schools within their district and their volunteer process.

If you already have a school or teacher in mind, feel free to contact them directly.
