Continuing Education

Continuing Education provides the opportunity for community residents to learn new skills and improve existing ones. This effort responds to the need for a well-trained workforce, as well as the individual need for intellectual or personal enrichment. Continuing Education presently includes the following three categories of instruction and services: noncredit curriculum, fee-based services and contract education.

Noncredit Curriculum (NC)

Noncredit courses are courses that meet community needs in ten instructional areas: parenting, basic skills, English as a Second Language (ESL), citizenship for immigrants, courses for the disabled, vocational courses, courses for older adults, home economics, health and safety, and workforce preparation [California Education Code, Section 84757(a) and 84760.5, and Title 5, Section 58160.] Noncredit courses are open to the public, are tuition-free, and are not offered for college credit. The College receives apportionment for noncredit courses at approximately half the rate for credit courses.

Fee-Based (CS)

Fee-based classes and programs are designated and authorized under Title 5. These programs may be offered in nearly any subject or field. These programs are supported by a fee paid by participants.

Course meeting days:

M = Monday	Th = Thursday	F = Friday
T = Tuesday	Sat = Saturday	
W = Wednesday	Sun = Sunday

Contract Education

Contract services are available to specific businesses and organizations by a mutually established agreement. Class participation is limited to the contract designees. Contract Education is not usually designated for credit. Contract Education and services are paid for by the contracting entity.

Continuing Education

Continuing Education is a department of the School of Continuing Education, Economic and Workforce Development. Your feedback, suggestions and comments are welcomed.

General Information

Sign Up Early

Early sign-up ensures that you will have a reserved place in a popular class. All registration is on a first-come, first-served basis. Your registration can make the difference as to whether a class is offered or cancelled. When space is available, on-site registration may be allowed with the permission of the instructor.

Class Confirmation

Please mark your personal calendar when registering for any class. Every attempt is made to provide a confirmation letter of your registration; however, due to unavoidable delays of mail delivery or misdirected mail, this courtesy is not guaranteed. Certificate of Completion

Some multi-session courses and seminars offer a Certificate of Completion. When applicable, students must attend all classes and meet certificate requirements as established by the instructor.

Class Cancellation

Every attempt is made to avoid cancelling a class. However, sometimes it is necessary to cancel before the first meeting when enrollment is low. If the College has advance notice that a class will be cancelled, Continuing Education will attempt to reach you by mail or by phone. Please be sure to provide complete phone contact information on your application.
