# FYE STUDENT

## Support Team

# ONE YEAR COMMITMENT

## YOUR SUCCESS PLAN

- 2 Mandatory career counseling sessions.
- 3 peer mentor face to face meetings
- 2 Approved success workshops
- 2 Approved campus events
- Progress reports
- Must Enroll in a Personal Development course your first semester

# Benefit of being Involved

- Eases the transition from high school to college.
- Helps you meet people and make friends with similar interests.
- Involved students are more likely to graduate.
- Involved students feel more connected to the campus, the people, and are more familiar with the resources the college provides.
- Involved students report higher levels of satisfaction with their college experience.
- Being involved encourages and advances your development on all levels: intellectual, cultural, spiritual, and social.
- Networking
- You will gain knowledge, skills and experience in leadership, communication, problem-solving, group development and management, budgeting and finance, presentation and public speaking, and much more!
- IT IS FUN!

# WHY?

- College is More Than Going to Class... Get Involved
  - Student success is directly linked to student involvement.
