12/8/09	BUS123	5	5	5	5	He is the best instructor in SWC. He cares about his students, and wants them to properly understand the subject. His classes are very interesting especially online classes. Even if you take him online you 'll be able to hear his voice via his audio lectures which are very very very helpful. He is amazing. Take his classes
9/16/09	bus123	4	4	5	5	he is the perfect professor. I wish there were more professors like him. his teaching is crystal clear and his lectures are fun, creative and very interesting. He is very blunt and that also helps us to learn. he is understanding and cares about his students and helps you out as much as possible 4u2 understand and be successful. Krystal Griebel :)

6/9/09	bus123	5	5	5	5	I love this teacher, one of the best I've had so far. He's extremely helpful, he jokes around alot (which keeps the class interesting) and you can learn alot from him. his website is very helpful, even after your done with the class, you can also go to his site, to refresh your memory. HE'S THE BEST TEACHER, YOU WONT BE DISAPPOINTED!
5/18/09	BUS123	2	5	4	5	He records his lecture and puts it on the his web site for his students can hear it again, again. Getting past his joke (it is bad), have one of your own ready to tell or else. His class has a lot of usefuk information if you want to get into investing in stocks and bonds in the stock market. Points are there to get if you do the work.

5/11/09	Bus121	5	5	5	3	Professor Paiano is a very understanding teacher. He is very comical! Needs help with the jokes but I love this teacher! Very good guy! Class is very easy. Records his lecture and everything you need is online. Handouts, lecture, assignments. Very approachable and kind. works off a point system
12/23/08	Bus123	5	5	5	4	I really recomend everybody to take Mr. Paiano classes, he make it easier and you really understand the class. On his online class he use some Audio lectures that helps a lot, is almost like being in a real class. So if you are taking a BUS class look if he is teaching that one and take it wiht him.
12/18/08	bus123	5	5	5	5	It has been really a great experience taking a class with Professor Paiano, he explains things clearly and directly and he is always willing to help and to answer any questions you may have, he really is comitted to education, thanks professor!
1/20/08	Bus121	5	5	5	5	He was great. One of the best profs out there. Very simple and straitforward. Prof Paiano is a very cool and easy going prof but you learn a lot at the same time. Highly recommended.
12/3/07	BUS121	5	5	5	3	MR paiano is a good teacher, kind of corny with his jokes and borderline annoying but overall he cares about the students and if you listen and do your work he is any easy grade.
8/21/07	Bus121	4	5	5	5	Frank Paiano or "Paco" as he says is hilarious. I love how fun and easy he is.I also like that he records his classes so I can go back and hear his lectures again if I need to. He is one GREAT professor!
8/14/07	Bus121	5	5	5	5	Prof. Paiano is hilarious! You might think he is crazy when you first meet him... then you get to see that he is a genius downplaying himself with an interesting sense of humor. EASY A!! Just show up remotely sober and pay some attention, and you will do fine! Just keep up with the homework since that is what most of the grade is based on.
5/20/07	bus123	5	4	4	3	pretty good teacher even though some of his jokes are kind of corny. don't bother buying the textbook because all the exams are from the powerpoint. you could use the textbook for homework assignments, but he's not too strict about the homework. also, he lets you use 1 page of handwritten notes for the exams. overall, easy class.
4/30/07	buiss101	5	5	5	5	great teacher! easy class.
3/16/07	bus121	4	5	4	5	He is the best professor ever! I love the way he teach and care about the class. He is always trying to get things easier for everyone. Great performer!! specially when he reads his power point slides!. Last but not least! He is a really and truly friend !! i miss his class a lot!!
1/18/07	Bus121	5	5	5	5	This is great teacher. This is the one teacher one needs to take at Soutwestern College. I appreciate when an instructor really cares about the students and their learning. I wish he was instructing more BUS classes. The only thing bad about him are his horrible jokes. But overall I really recommend this instructor.

1/10/07	BuS121	5	5	5	5	Great teacher. A little dependent on his PowerPoint presentations, but he really puts on a performance for the audience. He gives some homework, but I am the laziest person in the world so I only did the tests. Tests are open notes so passing them is a synch. Great teacher, great man. At the start of each class someone gets to tell a joke. Fun!
12/23/06	BusMath	4	5	5	3	Great teacher....the fear of a math class was gone by the second class meeting!
11/08/06	BUS-121	3	5	5	5	Frank Paiano is great. He makes an otherwise dull subject very relevant. I highly recommend him to all students. He will save you a world of economic hardship in the future if you follow his practical advice. Having taken his class I was able to better plan my financial future and correct some poor spending habits that saved me a lot of money.
8/26/05	BUS-121	5	5	5	5	I took his class last year. He is one of the teacher that I will never forgett. He is great. The jokes arent good, but you will survive. A phrase I love " Sorry guys, I hate to interrupt students when they are talking" obviously he says that when he's being interrupted by those people that love to talk while the teacher is talking. Take his class!

11/30/04	BUS-121	4	5	5	3	He is a really good lecturer, notes are organized (website), he makes it pretty easy. This is not a hard class, just take notes, particpate, ask questions. Easily got an "A" on the first test but had to drop the class due to shift change at work. Will take class again along with his other classes.
11/19/04	BUS-121	3	5	5	4	He is a great teacher! Very easy to learn from, he really wants you to pass the class with flying colors! I can't wait to take more classes taught by him.
10/28/04	BUS-121	4	5	5	5	Very good professor, but needs better jokes! Highly recommend class. Then you'll understand the joke thing. Not at all out of line just kind of lame.

10/28/04	BUS-121	2	5	5	5	He has a great sense of humor, easy to get along with and a knowledgeable professor.
10/05/04	BUS-121	3	5	5	3	Paiano's the best! He's always keeping thing hot and right on the money! You'd be a fool not to take one of his classes.
09/29/04	BUS-121	3	5	5	2	He is great...
08/26/04	BUS-121	3	5	5		He is one of the best instructors I've had. He knows what his talking about, and makes it easy to understand. He has a great sense of humor.
05/28/04	BUS-212	2	5	5		He is definitely not boring. He teaches without his shoes, very laid back teacher who knows his stuff and very helpful. Will have to make a few presentations in front the class. Need to read your text book to answer test questions. I highly recommend him.
04/27/04	BUS-121	5	5	5		Outstanding teacher. Makes class fun. Hilarious. Would make a great stand up comedian as opposed to teaching.
02/04/04	BUS-183	4	5	5		He was always willing to help you to understand a problem until you got it and he made math fun again not scary. He made math fun and I was willing to go with out fear.
12/11/03	BUS-121	5	5	5		He is funny, cool as a teacher, and person
10/12/03	CIS-101	4	5	4		He is a great teacher and makes the class very fun. I recomend to take his bus 121 class
8/7/03	BUS-121	4	5	4		He is a good teacher. If I ever need another class for bussiness I will look for him. He knows a lot about investing. If you have a question about stock, bonds, or mutual funds he can help.
