

Why Should I choose Southwestern College to Continue my Education and Water Polo Career?

1. **Most freshmen sit the bench their first 1-2 years**, at the JC level you will get playing time and collegiate experience. You will **become a better player** and potentially **get noticed** by bigger programs. Your coaches at SWC know what it takes to play at the next level. Let us get you ready.
2. If you live close to Southwestern College, you will **save money on gas and save valuable time avoiding traffic to and from school**. Do you really want to spend 2 to 3 hours in a car spending your or your parent's hard earned money on gas? **Aren't there better things to do with your time and better ways to spend money?**
3. We have guaranteed admissions and transfer agreements with top universities. **Attend the college of your dreams...not just the college you initially got into.**
4. Transfer agreements with top universities assure your transfer admission as a junior. Transferring as a junior allows you to fulfill your general education requirements here at Southwestern College for \$20.00 per unit vs. \$1000 or more at a University **saving you up to \$30,000.00+** depending on the four-year university you are choosing. You will have more money left in your pocket for your Master's Degree or Doctorate. Now that's smart.
5. **It's affordable**. The enrollment fee is just \$20.00 per unit. That is one of the best college deals in the country. It is the best and most economical way to complete your Associates degree and the **first two years toward a Bachelor's degree**.
6. We offer 84 different associates degrees in preparation for employment, 121 different career and technical certification programs, and 55 different majors to prepare you to transfer to a four-year college or university. **We have what you are looking for.**
7. Allows freedom to explore educational interests and opportunities at \$20.00 per unit verses \$400 to \$1000 or more per unit. **Are you sure you know what you want to do for the rest of your life?**
8. **Get you academically stronger** to attend the college of **your** choice. **Many students going straight to the universities have academic troubles and come back.** We have small class size - everyone knows your name. Learning is accentuated by the personal touch. Professors teach your classes. They care about your education and want to be in the classroom, not off somewhere else writing or researching. Personal help from the right source.
9. Free tutoring and self-help programs are targeted specifically to your needs. We want you to have **academic success**.
10. Financial aid, scholarships, grants and loans – can help you **meet school expenses** as well as living expenses and transportation costs.
