Class Assignment

## Film Review

For Wednesday, I would like for you to view one of the posted videos at <http://xserve.swccd.edu/nm>. After viewing your chosen film, please provide a short one page synopsis.

This assignment is due on Monday, October 26.

Follow the outline below to construct your review:

1. Description (the film you chose)
2. Analysis (what was the film about?)
3. Evaluation (what did you learn from the film?)
4. Conclusion (how could you apply this to your design work?)
