10B. PROP AA BOND FUND – FOR YEAR ENDED JUNE 30, 2006 (ENCLOSURE)

OVERVIEW

Pursuant to Education Code Section 41010-41023, "each fiscal year, each county superintendent of schools shall provide for an audit of all funds under his or her jurisdiction and control and the governing board of each local educational agency shall either provide for an audit of the books and accounts of the local educational agency."

It is their opinion that the financial statements present fairly, in all material respects, the financial position of Southwestern Community College District, as of June 30, 2006 and the respective changes in net assets and cash flows, for the fiscal year then ended in conformity with accounting principles.

The results of the audit disclosed no instances of non-compliance that are required to be reported under Government Auditing Standards. Messner and Hadley, LLP noted no matters involving the internal controls over financial reporting and it's operation that they consider to be material weaknesses. Messner and Hadley, LLP noted three non-material matters involving the internal control over financial reporting as described in the audit.

All recommendations from previous years have been implemented and noted in the audit.

**OVERVIEW**

Recommend establishment of the Nonresident Per Unit Tuition Fee for FY 2007-2008 at $163 per unit, the statewide rate, effective with the FY 2007-2008 summer session, in accordance with Education Code Section 76140. This rate is equal to or below the anticipated rates at districts contiguous to Southwestern College.

Education Code Section (ECS) 76140 requires the Governing Board to establish the Nonresident Per Unit Tuition Fee for the succeeding fiscal year.

The district has several options: a) to use the statewide computation of $173, b) the district computation of $173, or charge a different amount, not to exceed the highest amount charged by a contiguous district. Traditionally, Southwestern Community College District (SCCD) has set its nonresident tuition to be competitive with other contiguous districts. Several other contiguous districts such as San Diego Community College District, Grossmont Community College District, MiraCosta Community College District, are planning to set their tuition at $163. In addition to the nonresident tuition, foreign students who are not residents of California are required to pay the California registration fee.
