8. SUPERINTENDENT/PRESIDENT SEARCH PROCESS

The Board will discuss and determine the process for interviewing candidates for the position of Superintendent/President.

Hernandez, as Chair of the Search Committee, provided an overview of a proposed schedule. After discussion, there was consensus on the following:

Final Candidate Forums
Campus forums will be scheduled for September 12 and 13 (two days were scheduled until the number of candidates is determined). Hernandez reported that a task group of the Search Committee including two student representatives would be involved in the planning of the forum. There was interest in Room 751 as a venue to hold the forums.

Board Interviews
The Board confirmed its Special meeting on September 14 at 8 am to interview final candidates. The meeting will be held off site at the Best Western Hotel facilities in National City. It was noted that the Special meeting would be followed by the Board’s Regular meeting at 6:15 pm., which requires travel time back to campus. Board Members will submit questions to the search consultant by September 2.

Site Visit
Site visits will be conducted the week of September 25 (exact dates to be determined). Hernandez and Roesch (Board representatives on the Search Committee) will participate in site visits.

Appointment
The Board felt they have been following the process and schedule and expected to announce the appointment of the Superintendent/President as targeted on October 12. In the event that the Board is not ready at that time, a Special meeting will be called to determine the next step.
Contract Negotiations
Search Consultant Jim Walker will work with final candidates and advise the Board on expectations for a contract. Nader suggested that the Board could make its final decision subject to successful negotiations of a contract. Past contracts will be available to the Board to serve as a standard/comparison. The Board President will work with the search consultant and legal counsel to finalize the contract.
