   **(Whittaker)**

6A. **BUDGET OVERVIEW**

Facilitators Joyce Lopes and Neili Bodine will present an overview of the fundamentals of a community college budget.

Joyce Lopes gave a PowerPoint presentation “Solving the Budget Puzzle” which included: Budget Timeline; Board Role in Budget Development; Understanding State Allocations; Long Range Planning; Monitor Fiscal Health; and Cash Flow. Lopes referenced the College’s recalculation apportionment and the Community College League of California Introduction to Fiscal Responsibilities.

Neili Bodine gave a PowerPoint presentation “Introduction to Interest-Based Negotiations” which included a comparison of traditional proposal-based approach and interest-based approach. The presentation included an outline of relationships between bargaining teams and constituents and the Board and the management team.

The Board recessed at 8:15 p.m. and reconvened at 8:33 p.m. with all members present.

6B. **BUDGET SCENARIOS**

Scenarios not discussed.

6C. **SOUTHWESTERN COLLEGE BUDGET DEVELOPMENT PROCESS**

Denise Whittaker, Interim Superintendent/President, and SCC Budget Committee Co-chairs Robert Temple, Interim Vice President for Business & Financial Affairs and Andrew MacNeill, SCEA President will present:

- Values
- Reduction Options
ITEM

- Income Generation
- Shared Consultation Council (SCC) Prioritization

Co-Chair MacNeill gave an overview of the Shared Consultation Council (SCC) Budget Committee including the meeting schedule and values which included maintaining current instructional programs, current student support services and full time positions, as well as safety.

The Board discussed its role in the budget development process, specifically where in the process the Board would get the opportunity to give input to be taken back to the budget development process. After discussion, it was determined that the College was not on a full cycle with program review for this year, but on an expedited cycle due to accreditation. It was decided that an ad hoc approach to Board suggestions would be considered this cycle, with a full budget cycle beginning in the fall with program review and broad recommendations from the Board. Nader suggested that a study session or workshop for the Board to develop broad recommendations for staff to consider be scheduled.

Co-chair Temple provided an overview of the budget development process and items that have been identified so far as possible reductions to reach the $12 million target for 2011-12. A Budget survey of response summary by employee groups outlining priorities was provided.

6D. CENTERS STATUS

Christine Perri, Dean, Higher Education Center at National City and Crown Cove Aquatic Center, and Silvia Cornejo-Darcy, Director of Center Operations, Higher Education Center at San Ysidro will provide Centers’ status.

Christine Perri and Silvia Cornejo-Darcy gave a PowerPoint presentation “Higher Education Centers at National City and San Ysidro, Achieving Education Center Status.” They provided information including the process for becoming an approved educational center and next steps.

The Board determined that Item 5 Procedure No.2715 – Code of Ethics would be continued on the May 12 Governing Board meeting agenda.
