ITEM 10E3. AGREEMENT WITH SAN DIEGO, HEALTH AND HUMAN SERVICES AGENCY, TRAINING AND DEVELOPMENT (ENCLOSURE)

(RECOMMENDATION)

Ratify Agreement No. A2128.07 with San Diego, Health and Human Services Agency, Training and Development (HHSA T&D) to provide noncredit CPR courses to San Diego County employees, for the period July 1, 2007 to June 30, 2008.

OVERVIEW

The 22-chair DH Clinic and Radiography Lab is used to provide health services to over 1500 public patients and to educate 72 students per year. By law and accreditation standards, we are mandated to perform many procedures to protect the health & safety of our patients and to provide a functional learning environment for our students. It is necessary to have the time and personnel available to perform maintenance and the expensive equipment and facility, in order to protect the large investment by the college and dental community. We have requested this new position for a full-time clinical facility coordinator since 2002. It was identified as a need in the 2003 Program Review, a job description and analysis was prepared by Johnson and Associates in 2004. In 2008, we will have our accreditation site visit and need to demonstrate compliance with all of the standards, in order to maintain our accreditation status. We have hourly staff perform some duties for 20 hrs per week.

13A1. AGREEMENT WITH ARC STARLIGHT CENTER (ENCLOSURE) (Kinney)

RECOMMENDATION

Approve ratification of Agreement No. A2097.07 with ARC Starlight Center, to provide lunch meals for children enrolled in the Southwestern College Child Development Center, for the period June 15, 2007 to June 14, 2012, in the amount of $2.03 per lunch. Effective January 2008 the amount shall increase to $2.08 per lunch.

OVERVIEW

The agreement continues an established agreement between Southwestern Community College District and ARC Starlight Center to provide for preparation and delivery of nutritious lunch meals for the children enrolled in the Southwestern College Child Development Center on a nominal cost reimbursement basis. OVERVIEW

Outsourcing the analysis of data through a Letter of Agreement with R&K Enterprises provides continuity to the pilot project which began Spring 2006. The analysis of student data from the department finals in mathematics is necessary in order to validate the final exam as required by new accreditation standards. In addition, the agreement will preserve student and instructor confidentiality and provide consistent analysis of student success and outcomes.
