### Notes

During COVID-19, the Cardiovascular Technology program will accept online science lab courses in meeting course equivalency.

The CVT program does not accept 1-semester Anatomy and Physiology (e.g. SWC BIO 190) courses designed for other specialized health programs.

Students are encouraged to meet with Counselors to review program prerequisites and degree requirements.

Students should visit the CVT program website for any questions related to the application and admission to the program.

\*\*\*Every effort has been made to ensure this information is accurate. However, the official college document is the Grossmont College Catalog, 20-21.
