## Business and Financial Affairs Operating Procedures

### Travel

#### Scope

This procedure documents how employees can request authority to travel and an approved budget. It summarizes the Administrative Procedure (AP 7400) that details allowable costs and the availability of prepayments and advances. The steps also include how to submit a Travel Claim following the completion of travel.

#### Responsibilities

It is the responsibility of each staff or faculty member to plan travel and obtain documented approval prior to the beginning of travel.
