ARTICLE I: AGREEMENT

- 1.1 This Agreement is made and entered into this 1st day of May 2018 by and between Southwestern Community College District, hereinafter referred to as the District, and California School Employees Association, and its Southwestern College Chapter 524, hereinafter referred to as CSEA.

ARTICLE II: RECOGNITION

- 2.1 **Acknowledgment** - The District hereby acknowledges that CSEA is the exclusive bargaining representative for all Classified employees holding those positions described in Appendix A, attached hereto and incorporated by reference as a part of this Agreement. The determination of Management, Confidential, or Supervisory employees shall be designated by the District, and CSEA shall be consulted on the designated positions. Any disputes concerning the District's designation of positions may be challenged by the CSEA through PERB.
- 2.2 **EERC Representation** - The District and CSEA agree to establish an Employer/Employee Relations Committee. The Committee shall consist of three (3) members appointed by CSEA, and three (3) members appointed by the District. The Employer/Employee Relations Committee shall meet at least once per month unless mutually agreed upon to modify such schedule. The purpose of this Committee is to assist in the resolution of perceived employer/employee problems. The Committee shall not, in any way, amend, modify, or change the present Contract. All agenda items shall be submitted to the designated Secretary three (3) days prior to the scheduled meeting. The agenda shall be distributed to all committee members twenty-four (24) hours prior to the scheduled meeting.

ARTICLE III: ORGANIZATIONAL SECURITY

3.1 Each employee covered by this Agreement, who, on the effective date of this Agreement, is a member of CSEA and each employee covered by this Agreement who becomes a member after that date shall maintain their membership in accordance with the terms of their CSEA membership application.

3.1.1 Dues Deduction

3.1.1.1 The District shall deduct such dues as are authorized by CSEA, and/or each employee in this Bargaining Unit who has completed a CSEA membership application, "Dues Deduction Authorization" to the CSEA Chapter Treasurer who will submit forms to the District and CSEA HQ.

3.1.1.2 Once applications are received as authorized by each employee in the Bargaining Unit, the District shall deduct such dues every payroll period as authorized.

3.1.1.3 The District shall refer any member with questions regarding their CSEA membership to the CSEA San Diego Field Office at 858-202-2610.

3.2 General Provisions

3.2.1 CSEA agrees to furnish to the Director of Payroll Services a letter certifying the amount of CSEA dues, service fees and fees for other services as applied to employees. Such letter shall be furnished upon adoption of this agreement, and thereafter upon any change in such amounts applied.

3.2.2 It is agreed that the District assumes no obligation to, in any manner, enforce the provisions of the above sections beyond implementing to the extent consistent with law, automatic payroll deduction.

3.3 Hold Harmless Clause

3.3.1 CSEA shall indemnify and hold the District harmless from any and all claims, demands or suits, or any other action arising from the organizational security provisions contained herein.

3.3.2 CSEA agrees it shall reimburse the District for any and all legal costs and attorney fees and shall hold the District harmless from any liability arising from any and all claims, demands, lawsuits or any other actions arising from any implementation or compliance with this Article, or District reliance on any list, notice, document, certification or authorization furnished under this Article by CSEA.

ARTICLE IV: EVALUATIONS

- 4.1 Definition - Official evaluation is defined as an assessment of an employee's work performance. The official evaluation is submitted on the District standard "Classified Employee Performance Evaluation" form for evaluating classified employees.
- 4.2 A probationary Unit Member is defined as a Unit Member who is serving the probationary period of six (6) months with the exception of College Police Officers and Public Safety Dispatchers pursuant to Education Code 88013 as amended by AB275. This is effective for employees hired or promoted on or after January 1, 2022, in compliance with the new state law.
- 4.2.1 College Police Officers and Public Safety Dispatchers must serve a one (1) year probation period in accordance with Education Code 88013.
- 4.3 A permanent Unit Member is defined as a Unit Member who has satisfactorily completed the probation period of six (6) months.
- 4.3.1 College Police Officers and Public Safety Dispatchers who have satisfactorily completed the probation period of one (1) year are defined as permanent Unit Members in accordance with Education Code 88013.
- 4.4 A permanent/probation Unit Member is defined as a Unit Member who has permanent status with the District but serving in a six (6) month probationary period due to a promotion in accordance with Education Code 88013.
- 4.5 Performance evaluations for all probationary Unit Members not included in subsection 4.2 shall be submitted on or about the end of the third (3rd) month, and on about the end of the fifth (5th) month from the date of appointment to the position.
- 4.5.1 Performance evaluations for all Probationary Unit Members in the College Police Officer and Public Safety Dispatcher classifications shall be submitted on or about the end of the third (3rd) month, on or about the end of the sixth (6th) month, and on or about the end of the tenth (10th) month from the date of appointment to the position.
- 4.5.2 In the case of a promotion, performance evaluations for all permanent/probation Unit Members shall be submitted on or about the end of the third (3rd) month and on or about the end of the fifth (5th) month.
- 4.6 Progress evaluations for all other permanent employees shall be submitted at least once during the fiscal year at a time designated by the District. After five (5) years of service in the current classification, the employee's regular evaluation will be once every three (3) years.
- 4.7 Special evaluations may be made on either a permanent or probationary employee when such evaluations are deemed appropriate by the employee's immediate supervisor or the Administration. Special Evaluations shall be used for the purpose of improving the performance of a bargaining Unit Member who is not meeting District standards. The evaluation must contain a description of the performance requiring improvement.
- 4.8 No official evaluation of any employee shall be placed in the main personnel file without an opportunity for discussion between the employee and the evaluator. No evaluation shall be made based only upon hearsay statements but shall also be supported by direct observation and knowledge of the evaluator, and from voluntary input provided by the employee. The employee's supervisor shall provide the employee with an electronic copy of the evaluation within the electronic performance management system used by the District at least two (2)

days prior to any conference being held. The two (2) day requirement shall not apply to an employee being released during probation. A bargaining Unit Member shall retain the right to have a CSEA Representative present at a conference. When a conference has been held, the employee shall electronically sign and date the completed evaluation document at that time. As provided in the Classified Employee Progress Evaluation Form, providing a signature does not necessarily indicate agreement with the content of the evaluation.

- 4.9 It is the intent of the parties that employees be informed of performance deficiencies and/or behavior which may result in a Needs Improvement status during the rating period; not solely during the evaluation. At a minimum, the evaluator is expected to confer with the employee as early as practicable to provide corrective direction. The evaluator is expected to provide the employee with clear direction regarding the nature of the performance and/or behavior requiring improvement, with specific direction for improvement. The evaluation shall contain a specific timeframe for reviewing progress towards improvement which shall not exceed sixty (60) calendar days. A follow-up conference shall be held within ten (10) days of the designated time frame. The specific recommendations for improvement prepared by the immediate supervisor shall be monitored by the District for the purpose of assisting the employee.

The employee shall have the right to review and respond to any derogatory evaluation in accordance with Education Code Section 87031, by attaching their comments in writing or electronically regarding the evaluation within ten (10) days of receipt of the evaluation.

- 4.10 Any employee that is placed in Improvement-Needed status, whether by regular or special evaluation, shall be afforded the opportunity to review the improvement plan. If the employee requests a review, all documents related to the evaluation shall be forwarded to the area Vice President. The area Vice President shall review the documents, meet with the parties and monitor the process. The area Vice President shall ensure the Needs Improvement process is conducted in compliance with both the provisions of this Agreement and the intent of those provisions. The employee may continue in the Improvement-Needed status after the conditions of this section have been met. However, if the employee reports to a Vice President, or any administrator who reports directly to the Superintendent/President, the review will be performed by the Superintendent/President. If the employee reports directly to the Superintendent/President, and an appeal is requested, the Superintendent/President shall appoint the Assistant Superintendent/Vice President for Human Resources to hear the appeal.
- 4.11 The Classified Employee Performance Evaluation form shall be reviewed and revised by the Classified Employer/Employee Relations Committee (EERC) when and if necessary, as determined by the Classified EERC. Any proposed revision from the EERC shall be submitted for consideration to the District and to the Association. If accepted by both parties, a revised evaluation form shall be implemented.
- 4.12 Appendix B: Classified Employee Evaluations Rubrics. (This document is included as a guideline for conducting evaluations and shall not be binding or grievable.)
- 4.13 The District and CSEA agree to form a joint labor/management committee to develop proposals on methods for CSEA Unit Members to provide input about their supervisor. The committee will be composed of two members selected by CSEA, two members selected by Southwestern Community College District Administrators' Association (SCCDAA) and chaired by the Assistant Superintendent/Vice President for Human Resources. Said proposals will be brought back to the CSEA/District negotiations for full discussion by members of both teams. Nothing herein constitutes a commitment on the part of the District for CSEA to ultimately adopt such a proposal.

ARTICLE V: CSEA RIGHTS AND DISTRICT RIGHTS

- 5.1 CSEA shall have the following rights in addition to the rights contained in any other portion of this Agreement.
- 5.1.1 The right of access during non-working hours in areas in which the employees work.
- 5.1.2 The right to reasonable use without charge of institutional bulletin boards and mail boxes for posting or transmission of information or notices concerning CSEA matters. All materials posted or mailed shall contain the name(s) of the CSEA representative authorized to do the posting or mailing. A copy shall be provided to the office of the Vice President for Human Resources on the day of the posting or mailing.
- 5.1.3 The District shall provide CSEA with the use of office space, equipped with a desk, chairs, a computer with Internet connection, printer, fax, software WIN 95, MSOffice, a telephone without charge, and photocopies at eight cents (\$.08) each.
- 5.1.4 The right to review employee's personnel files and any other records dealing with employment, when accompanied by the employee, or on presentation of written authorization signed by the employee.
- 5.1.5 The Association's duly authorized campus representatives shall have the right to use college facilities without charge at any time which does not conflict with District-scheduled activities. The Association agrees to schedule facilities through the administrative office responsible for facility allocation. The Association agrees to leave facilities in a reasonably clean and orderly condition incident to each use. The Association agrees to reimburse the District at the established community-use rate for any excess costs generated by the Association's use of the facility. The District agrees to release Bargaining Unit employees for a maximum of one (1) hour per month (in addition to 5.1.7) to attend a scheduled CSEA Chapter meeting. Additionally, the District agrees to release Bargaining Unit employees for a maximum of one (1) hour per month to attend meetings of the Classified Senate. Bargaining Unit employees shall submit a written request for release time to their immediate supervisor at least forty-eight (48) hours prior to the meeting. The employee shall have the right to appeal the supervisor's decision through the "Complaint/Open Door Policy." Chapter meetings shall be scheduled at times least disruptive to District business.
- 5.1.6 CSEA shall be provided without charge two (2) copies of the Tentative and Adopted Budget as provided to the County Department of Education.

5.1.7 For each fiscal year for which this Agreement is in effect, the District agrees that the CSEA President shall be released for not more than forty percent (40%) of their assigned duty time in order to attend meetings related to the performance of their presidential duties. The CSEA Secretary shall be released up to ten percent (10%) and the CSEA Vice Presidents shall be released up to twenty (20%) of their assigned duty time to perform the duties related to their official positions. The District will provide a maximum of 40% backfill to CSEA to cover the operational needs of the District to be shared as determined by CSEA. CSEA Chapter Officers will be provided reasonable periods of release time for purposes of employee representation; investigation or processing of grievances, potential or actual disciplinary meetings and for purposes of conducting negotiations. In addition to the foregoing, the District shall continue its practice of permitting designated CSEA Officers release time to attend meetings scheduled by the District. Additionally, the District shall annually release five (5) CSEA members from their assigned duties, without loss in pay, to attend the CSEA State Conference. The release from duty shall not interfere with the efficient operation of the District. In the event release time is used so that CSEA employees may serve as Chapter delegates to the CSEA State Conference or as a CSEA State Board/Committee Member, the employee's supervisor shall be given five (5) workdays advance written notice of such release time. Employees using released time pursuant to this section shall report their released time to their Supervisor each month on a "Released Time Report" form.

Consistent with existing laws, the District will not engage in interference with a Unit Member's exercise of rights guaranteed under the Educational Employment Relations Act (EERA) and, as provided by the EERA, the District will not engage in any retaliation or reprisal against a Unit Member based on the exercise of such rights.

5.1.8 Any field staff of CSEA who wishes to enter the college campus during hours in which students are present shall notify the office of the Vice President for Human Resources of their identity.

5.1.9 CSEA has the right to participate in the New Employee Orientation (Appendix E).

5.2 **Distribution of Contract** - Within thirty (30) days after the execution of this Contract, the District shall print or duplicate and provide, without charge, a copy of this Agreement to every employee in the Bargaining Unit. Any employee who becomes a member of the Bargaining Unit after the execution of this Agreement shall be provided with a copy of this Agreement by the District, without charge, at the time of employment. Each employee in the Bargaining Unit shall be provided by the District, without charge, a copy of any written changes agreed to by the parties to this Agreement during the life of this Agreement.

5.3 **District Rights**

5.3.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in, but not limited to these duties and powers, are the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; ensure the rights and educational opportunities of students;

determine staffing patterns; determine the numbers and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work consistent with State statutes; and take action on any matter in the event of an emergency as defined in 5.3.3 below. In addition, the District retains the right to hire, classify, transfer, assign, evaluate, promote, terminate and discipline employees.

5.3.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with law.

5.3.3 An emergency shall be defined as an unforeseen set of circumstances that would constitute imminent danger to personnel and property, such as fire, flood, and other acts of God. The determination of whether or not an emergency exists is solely within the discretion of the Board and is expressly excluded from the provision of Article XVI: Grievance Procedure.

ARTICLE VI: HOURS OF EMPLOYMENT

6.1 **Workweek** - The regular workweek shall not exceed forty (40) hours for five (5) consecutive days. The traditional workweek shall be Monday through Friday. The non-traditional workweek shall be five (5) consecutive days starting any day other than a Monday. A change of assignment from a traditional workweek shall be based upon the efficient operation of the District and in accordance with the Agreement.

6.1.1 Change of work schedule is defined as the shift of a Unit Member's assigned starting and ending times of employment of more than one (1) hour. Increasing or decreasing the number of hours worked does not constitute a change of work schedule.

6.1.2 **Temporary Change of Work Schedule** - The District may temporarily assign a Bargaining Unit Member to a work schedule not routinely worked by such employee.

Such assignments shall not exceed a period of twenty-five (25) consecutive working days in any work year. An employee of the Bargaining Unit shall not be required to accept such assignment unless notified in writing ten (10) working days prior to the effective date of the work schedule change. This notification requirement may be waived by mutual consent of employee and supervisor. The employee's immediate supervisor will consult with the employee regarding any problems affecting the implementation of this temporary assignment. An employee who is dissatisfied with their change in work schedule may submit the issue to the Employer/Employee Relations Committee (EERC).

6.1.3 **Permanent Change of Work Schedule** - The District may permanently change a Bargaining Unit employee's work schedule. An employee of the Bargaining Unit shall receive fifteen (15) working days notice prior to the effective date of a change in the employee's work schedule.

An employee of the Bargaining Unit shall be temporarily exempt from such change if said employee is enrolled in a course in an institution of higher education, and the course hours conflict with the proposed hours of employment. The employee may be immediately assigned to the new work schedule upon completion of or withdrawal from the course in which they are enrolled at the time of the notification of the change in hours.

An employee who claims a bona fide hardship shall not be required to accept such change until the circumstances have been reviewed by the Classified Employer/Employee Relations Committee (EERC), and a decision has been made. It requires the affirmative vote of four (4) members of the Committee to provide the employee a temporary exemption from a permanent change in hours. The Committee shall continue to monitor all exemptions and shall withdraw the exemptions at any time that the Committee, by majority vote, agrees that the circumstances have changed, or that the employee has not made a reasonable effort to become available for a change in hours. It shall be deemed that an employee has not made a reasonable effort to become available for a change in hours if the exemption has been in effect for a period of fifteen (15) working days from the date of the proposed change in hours. In such a case, the District may immediately require the employee to work the newly-assigned hours. No further appeal can be made by the employee.

- 6.2 **Adjustment of Assigned Time** - Any employee in the Bargaining Unit who works a minimum of thirty (30) minutes per day in excess of their part-time assignment for a period of twenty (20) consecutive working days or more shall have their basic assignment changed to reflect the longer hours in order to acquire fringe benefits on a properly prorated basis as specified in Education Code Section 88036.
- 6.3 **Increase in Hours** - When additional hours are assigned to a part-time position on a regular basis, the assignment shall be offered to an employee based upon job classification, job knowledge, performance, location and the greatest Bargaining Unit seniority. Other factors being equal, the employee with the greatest Bargaining Unit seniority shall be offered the additional hours. If that employee declines the assignment, it shall be offered to the remaining qualified employees in the class in descending order of Bargaining Unit seniority until the assignment is made.
- 6.4 **Lunch Periods** - All employees who work in excess of four (4) hours per day shall be entitled to an uninterrupted lunch period without pay. The District and the Association agree that the lunch period for Bargaining Unit Members shall be forty-five (45) minutes. However, upon the mutual agreement of the Unit Member and their immediate supervisor, the lunch period may be shortened to thirty (30) minutes or lengthened to sixty (60) minutes. Those Unit Members with a thirty (30) minute lunch period will report to work fifteen (15) minutes later than their assigned starting times. Those Unit Members with a sixty (60) minute lunch period will report to work fifteen (15) minutes earlier than their assigned starting times. The lunch period for full-time employees shall normally commence within one (1) hour of the midpoint of each work shift. An employee directed by their supervisor to work during their lunch period, and who is not provided an alternate lunch period, shall receive pay at the rate of time and one-half (1 1/2) for all time worked during the normal lunch period.
- 6.5 **Rest Periods**
- 6.5.1 All Bargaining Unit employees shall be granted rest periods which, insofar as practicable, shall be in the middle of each work period, at the rate of fifteen (15) minutes per four (4) hours worked or major fraction thereof. "Major fraction thereof" shall be defined as two (2) hours or more. Any disputes arising from the misinterpretation or misapplication of this section may be appealed to the Employer/Employee Relations Committee (EERC).
- 6.5.2 Rest periods shall not be used to reduce the length of the workday.
- 6.5.3 Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employees.
- 6.6 **Overtime** - Except as otherwise provided herein, all overtime hours as defined in this section shall be compensated at a rate of pay equal to time and one-half (1½) the regular rate of pay of the employee for all work authorized by the appropriate supervisor. Overtime is defined to include any time worked in excess of eight (8) hours in any one day or in excess of forty (40) hours in any calendar week, whether such work is performed at the assigned work site or whether such hours are worked prior to the commencement of a regularly assigned starting time or subsequent to the assigned quitting time. All overtime records shall be maintained in the Payroll Services Office. No overtime records shall be maintained separately or apart from those records, other than copies of the overtime request form and the hourly payroll timesheet, which may be maintained within the department. All overtime shall be recorded on the standard overtime forms provided by the District. The employee shall receive a copy of the overtime request form upon completion of processing.

- 6.6.1 Overtime hours may be paid or taken as compensatory time off; this determination will be made via mutual agreement between employee and supervisor. If mutual agreement cannot be reached, employee will be compensated with pay. Except in cases of emergency, the determination of the type of compensation shall be made prior to the commencement of overtime work.
- 6.6.2 Any employee having an average workday of four (4) hours or more during the workweek shall be compensated one-and-one-half (1½) their regular rate of pay for any work performed on the sixth (6th) or seventh (7th) day.
- 6.6.3 Any employee having an average workday of less than four (4) hours during a workweek shall be compensated one-and-one-half (1½) times their regular rate of pay for any work performed on the seventh (7th) day.
- 6.6.4 No employee shall be permitted to work beyond eight (8) hours a day on the sixth (6th) or seventh (7th) day of the employee's workweek.
- 6.6.5 All hours worked on holidays designated by this Agreement shall be compensated at one-and-one-half (1½) times the regular rate of pay in addition to the regular rate of pay. Special employees hired only to work on holidays and Saturdays and Sundays shall receive the hourly rate assigned to the position and shall not receive the holiday benefits set forth in this Agreement.
- 6.6.6 When a supervisor requires an employee to take work home, the supervisor and the employee shall, by prior agreement, determine the number of overtime hours to be granted to the employee.
- 6.7 **Split-Shift Differential Compensation** - All employees in the Bargaining Unit whose assigned shift contains one (1) or more periods of unpaid time whose total exceeds one (1) hour, excluding lunch periods, shall be paid a shift differential premium of two-and-one-half percent (2½%) above the regular rate of pay for all hours worked.
- 6.8 **Shift Differential - Compensation**
- 6.8.1 All Bargaining Unit employees whose regularly assigned work shift (a regularly assigned shift is one that does not have a predetermined end date) requires them to work until 7:00 p.m. or later shall be paid a shift differential premium as follows:
2.5% differential if shift ends at 7:00 p.m. or later.
- 6.8.2 All Bargaining Unit employees whose regularly assigned work shift (a regularly assigned shift is one that does not have a predetermined end date) requires them to work after 10:45 p.m. shall be paid a shift differential premium as follows:
5% differential if shift ends after 10:45 p.m.

- Except in cases of extraordinary circumstances, all absences due to illness or injury shall be reported by calling the immediate supervisor each day prior to the employee's scheduled start time, unless medical verification is provided to the Human Resources Office stating the absence period.

- 12.4.3 An employee employed less than five (5) days per week shall be entitled, for fiscal year of service, to that proportion of twelve (12) days leave of absence for illness or injury as the number of days they are employed per week bears to five (5). - 12.4.4 Pay for any day of such absence shall be the same as the pay which would have been received had the employee served during the day of illness.
- 12.4.4 At the beginning of each fiscal year, the full amount of sick leave granted under this section shall be credited to each employee. - 12.5.3 The industrial accident or illness leave is to be used in lieu of normal sick leave benefits. When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave, vacation or other paid leave may then be used. If, however, an employee is still receiving temporary disability payments under the Worker's Compensation laws of this state at the time of the exhaustion of benefits under this section, they shall be entitled to use only so much of their accumulated and available normal sick leave and vacation leave, which, when added to the Worker's Compensation award, provides for a day's pay at the regular rate of pay.

- 12.11 **Parental Leave for Baby Bonding/Child Care.** Pursuant to Education Code Section 88196.1, when a Unit Member takes leave for maternity or paternity under the Family and Medical Leave Act (FMLA) and/or the California Family Rights Act (CFRA), they may use up to 12 work weeks of 50% differential pay of their regular salary earned and available under the illness or injury leave provisions of this Agreement concurrently with the unpaid FMLA and/or CFRA leave entitlement. The 12-work week differential pay shall be reduced by any period of illness or injury leave, including accumulated illness or injury leave taken during a period of parental leave pursuant to CFRA (Government Code Section 12945.2). The Unit Member is also entitled to use their vacation leave in taking baby-bonding/parental leave, if the Unit Member chooses to do so. Unit Members granted Family Leave, for any other Family Leave purposes, may elect to use accrued sick leave, vacation leave, or personal necessity leave or take unpaid leave, concurrently with Family Leave, consistent with and, so long as it is permissible by, the Family and Medical Leave Act and federal and state law (Appendix C). CSEA and the District reserve the right to meet and negotiate over any remaining bargainable issues relating to Family Leave.

ARTICLE XIII: TRANSFERS

- 13.1 **Transfers** - A transfer is movement of a Unit Member to another position within the same classification. A Bargaining Unit Member may be transferred or reassigned within their classification to any location when it is in the best interest of the District or by request of the Unit Member. Unit Member transfers shall be based on the program needs, efficiency or effectiveness of the District. The District shall not transfer or reassign a Unit Member for disciplinary reasons.

A Unit Member permanently reassigned shall be given no less than a 15-workday notice of transfer. The immediate administrator shall meet with the Unit Member, explain the reason(s) for such action before the transfer/reassignment is initiated and provide written notification including the rationale for transfer.

Unless otherwise prohibited by law, when a new position is created or an existing position becomes vacant, a Unit Member may submit a written transfer request to the Director of Human Resources. When an existing Bargaining Unit position becomes vacant, the District will send notice of all vacancy opportunities to all Bargaining Unit Members via e-mail five (5) full working days before advertising to the public. The District shall consider the transfer requests of qualified Unit Members serving in the same classification. Background, experience and qualifications of the Unit Member in prior or current District positions shall be provided by the Unit Member during the application process and will be considered along with department/District needs.

- 13.2 **Medical Transfers** - If the employee meets the qualifications stipulated in this sub-section, the District shall give alternate work when the same is available to an employee who has become medically unable to satisfactorily perform their regular job class duties. **ARTICLE XIV: CLASSIFICATION, RECLASSIFICATION AND ABOLITION
OF POSITIONS**

- 14.1 **Definition** – In accordance with Education Code Section 88001 (f) "Reclassification" means the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in that position.
- 14.2 **Placement in Class** - Every Bargaining Unit position shall be placed in a class.
- 14.3 **Classification and Reclassification Requirement** - Position classification and reclassification shall be subject to mutual input between the District and CSEA. Reclassifications may also take into consideration positions from other comparable college districts.
- 14.3.1 An employee, their supervisor, or another manager higher in their chain of command, or the designated Director in Human Resources may initiate a request for a position audit to determine whether reclassification of the incumbent is necessary.
- 14.3.2 **Process.** For employee-initiated reclassifications, all relevant sections of the Position Description Questionnaire (PDQ) must be filled out, signed and filed in writing with the designated Director in Human Resources. An email is considered to be "in writing."
- 14.3.3 **Time Period.** When the incumbent submits their PDQ to the designated Director in Human Resources, it will be officially logged in as of that date and time. Time limits hereunder may be lengthened in any particular case only by mutual written agreement.
- 14.3.4 **Review.** After receiving the incumbent's PDQ, the designated Director in Human Resources shall provide a copy of same to the incumbent's supervisor for their comments, additional information, and concurrence (or lack thereof) of the employee's request for reclassification. After the immediate supervisor's commentary is completed, it will be submitted "up the chain" to the supervisor's supervisor (if applicable) and all intervening managers for their review and commentary, up to and including the cognizant Vice President. All levels of this management review will be completed in a timely manner. If, in the judgment of the designated Director in Human Resources, the management review is excessively dilatory (a period which exceeds ten (10) working days), they may truncate the management review and send the PDQ and supplemental information directly to the independent analysis step.
- 14.3.5 **Independent Analysis.** Upon completion of the management review, the Human Resources Department shall provide the PDQ, additional and supplemental information, management commentary, and other relevant data to the District's independent classification consultant (the "Consultant"). The Consultant shall use their independent judgement, prior experience, and general expertise to evaluate the information supplied. The consultant may seek additional information from the incumbent, supervisor, other managers, and other employees to answer questions, clarify issues, and provide additional information as the consultant deems necessary to complete the review. The incumbent and respective administrator(s) are required to fully participate in this process. Failure of the incumbent to fully participate will render the application denied without leave to resubmit until the two year

period (as referenced below) has elapsed. The participation of the supervisor and other employees will, if necessary, be compelled by the Assistant Superintendent/Vice President for Human Resources. After all documentation and information have been provided, the Consultant shall render a decision within forty-five (45) working days.

14.3.6 **Recommendation.** The independent Consultant may find that reclassification is justified or not justified and will report the same. If a finding of reclassification is justified, the Consultant will further recommend placement in an existing classification or, if no such classification exists, recommend a new classification, and provide a draft job description within a reasonable period, not to exceed forty-five (45) working days.

If the incumbent does not agree with the Consultant's recommendation, they may submit a written request for appeal to the Reclassification Appeal Committee within ten (10) working days of the Consultant's final recommendation letter. The Reclassification Appeal Committee consists of the designated Director of Human Resources (or designee), the CSEA President (or designee) and the Consultant. A meeting with the employee and the Reclassification Committee shall be scheduled within fifteen (15) working days from the appeal request by the employee. After meeting with the employee, the Reclassification Committee shall, provide a written response to the appeal which will be distributed to the employee, their supervisor and other managers in their chain of command not to exceed forty-five (45) working days. The committee's response to an appeal shall be final and not subject to grievance.

If as a result of this process, a position is recommended for placement into a new job classification (i.e., new job description), CSEA and the District will meet and negotiate the proposed job description and salary range prior to being recommended for approval by the Governing Board. The recommendation shall be made to the Executive Leadership Team and, if approved by same, be submitted to the Board of Trustees for adoption.

Whether in the original or upon appeal, if the recommendation is for reclassification, the effective date of the reclassification submitted to the Board of Trustees shall be retroactive to the date the PDQ was submitted by the incumbent.

14.3.7 **Limit on Requests.** An employee may only submit a reclassification request once every two years. Their supervisor, higher managers, and the designated Director in Human Resources may submit any number of reclassification requests.

14.3.8 **Campus or District-wide Classification Studies.** Nothing herein prohibits the District from submitting a group of same or similarly classified employees or all employees so classified to the independent Consultant for review and recommendation. Such "global" class studies may only be initiated by the designated Director in Human Resources and shall proceed according to the foregoing procedures outlined herein. In this instance, the date of retroactivity, if relevant, shall be the date upon which the last PDQ is turned in by an employee included in the global study.

14.3.9 **Applicability of Reclassification Recommendations and Actions.** When any reclassification request is submitted, the designated Director in Human Resources may, in their judgment, broaden the scope of the position audit to include other employees in the same or similar classifications working at the same site or working in concert for a majority of their work duties. In this event, other such included employees will be required to fill out PDQs, but the retroactive date shall be the date of the original requesting incumbent submits the PDQ.

Nothing in this article states, requires or implies that a reclassification recommendation based on the audit of a given employee or small group of closely related employees, as defined in the prior paragraph, be extended to other District employees in the same or similar classes working in other departments or at other sites. Reclassification recommendations are to be construed narrowly to apply only to those making the request and/or those subsequently included in the same position audit by the designated Director in Human Resources.

14.4 **New Positions or Classes of Positions** - All newly-created positions or classes of positions shall be designated by the District. The District shall discuss with CSEA whether the designated positions fall within the Bargaining Unit or not. Any disputes over the District's designation of newly-created positions or classes of positions may be challenged by CSEA through the Public Employment Relations Board.

14.5 **Incumbent Rights** - When an entire class of positions is reclassified, the incumbents in the positions shall be entitled to serve in the new positions. Those incumbents who are on probationary status at the time of reclassification shall continue their probationary period without having to serve additional probation.

ARTICLE XV: LAYOFF AND REEMPLOYMENT

- 15.1 **Reason for Layoff** – Pursuant to Education Code 88127, classified Bargaining Unit employees shall be subject to layoff for lack of work or lack of funds. Education Code Section 88017 provides that lay off may result when a specially funded program expires.
- 15.2 **Notice of Layoff** – The District will notify CSEA, in writing, of any reductions, layoffs, or elimination of services fifteen (15) working days prior to notification of employees. Pursuant to Education Code 88127, classified Bargaining Unit employees shall be subject to layoff for lack of work or lack of funds. Bargaining Unit employees affected by layoff shall be given notice of lay off not less than sixty (60) calendar days prior to the effective date of layoff and shall be informed of their displacement rights, if any, and reemployment rights under section 15.9. Any written notice shall indicate the reason for layoff. The District, CSEA, and the affected incumbent shall meet no later than five (5) working days after the incumbent has been notified of layoff to discuss options including bumping rights, reemployment rights, and demotion in lieu of layoff. Failure to give the employee written notice under the provisions of this section shall invalidate the layoff.
- 15.3 **Order of Layoff**
- 15.3.1 Pursuant to Education Code 88127, whenever a classified employee is laid off, the order of lay off within the classification shall be determined by length of service. The employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first.
- 15.4 **Classification Seniority** - Seniority is determined by time in paid status, within the classification. The District shall maintain an updated seniority roster indicating employee's length of service. Such roster shall be provided to CSEA within thirty (30) calendar days of request.
- 15.5 **Equal Seniority** - If two (2) or more employees subject to layoff have equal class seniority, the determination as to who shall be laid off will be made on the basis of the greater hire date seniority. If they are equal, then the determination shall be based on the number of hours an employee has been in a paid status in the class plus higher classes; and if they are still equal, the determination shall be made by lot.
- 15.6 **Bumping Rights** - An employee laid off from their present class may, in order to avoid layoff, bump into the next lowest class in which the employee has greatest seniority considering their seniority in the lower class and any higher classes.
- 15.7 **Layoff in Lieu of Bumping** - An employee who elects a layoff in lieu of bumping maintains their employment right under this Agreement.
- 15.8 **Voluntary Demotion or Voluntary Reduction in Hours** – An employee who takes voluntary demotion or voluntary reduction in assigned time in lieu of layoff shall be, at the employee's option, returned to a position in their former class or to a position with increased assigned time as vacancies become available, and with no time limit except that they shall be ranked in accordance with their seniority on any valid reemployment list. Employees who take a voluntary demotion or voluntary reduction in assigned time in lieu of layoff shall receive the same reemployment rights as employees who are laid off and shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four (24 months).

15.9 **Re-employment Rights**

Pursuant to Education Code 88117, employees who have been laid off because of lack of work or lack of funds are eligible for reemployment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants.

If the employee refuses a re-employment offer to the classification held at the time of lay off, or a similar position in a higher classification for which they are qualified, they shall not be eligible for further preferred consideration. A refusal shall not preclude an employee from future employment with the District.

Such notification shall be in writing and filed with the Superintendent/President within ten (10) days after receiving the decision in Level II, or within ten (10) days after the mediation session is held pursuant to 16.2.3. The notification must contain a written statement from CSEA agreeing to arbitration of the grievance.

- 16.2.4.2 Within ten (10) days of the grievant giving notice that they want to submit their grievance to arbitration, the parties shall meet for the purpose of identifying a mutually acceptable arbitrator. If the District and Association cannot agree on an arbitrator, a request for names shall be submitted to the State Conciliation and Mediation Service. Upon receipt of the list of arbitrators, the parties shall select one by alternately striking names from the list until one name remains. The remaining name shall become the arbitrator.
- 16.2.4.3 The arbitrator selected shall schedule a hearing as expeditiously as possible at a location convenient to the parties.
- 16.2.4.4 The arbitrator's jurisdiction shall be limited to determining whether the Collective Bargaining Agreement has been misinterpreted or misapplied and shall have no authority over disciplinary process or determinations.

ARTICLE XVII: DISCIPLINARY PROCESS

17.1 Exclusive Procedure

All permanent classified employees may be disciplined with cause following the provisions in Article XVII.

17.2 Definition of Discipline

Discipline shall only be imposed on permanent employees for just cause. Discipline includes suspension, reduction in pay, involuntary demotion, or termination.

The District shall not initiate any disciplinary action for any cause alleged to have arisen prior to the employee becoming permanent nor for any cause alleged to have arisen more than two (2) years preceding the date that the District serves the notice of proposed disciplinary action (i.e., Skelly Notice).

17.2.1 Basis of Discipline

The District hereby states its commitment to the principle of progressive discipline. Discipline may only be based on an employee's violation of a Board Policy or Administrative Procedure (other than Board Policy 7365 and Administrative Procedure 7365), state regulation, state law, federal regulation, or federal law. The District hereby states its commitment to the principle of progressive discipline.

The following is also basis for discipline:

1. Consistent inefficiency or failure to perform required duties in satisfactory manner;
2. Fraud in obtaining employment with the district or making a false statement on an application for employment;
3. Dishonesty in the work place. (for example, lying on your time sheet);
4. Willful refusal to comply with lawful directions of a supervisor;
5. Excessive tardiness and/or excessive absenteeism, including absence from duty without leave and abuse or misuse of sick leave.

5a. Excessive tardiness and/or excessive absenteeism shall be understood to mean when absenteeism is in excess of what has been earned or granted to the employee by law or contract, and when such absenteeism is of such a substantial level as to signify a clear pattern of abuse. Simply using sick leave, or other contractual or granted leaves, shall not be considered to be excessive without the additional burden of a clear demonstration of a pattern of abuse.

5b. The District recognizes that there may be incidents of catastrophic illness or on-going medical conditions that may require repeated leave taking. Merely taking leave, even when repeated, does not constitute "excessive" absenteeism. In such cases, the District will not take disciplinary action based on absenteeism so long as the condition is medically documented, the repeated absences are supported by medical necessity, and does not demonstrate a clear pattern of abuse.

6. Abandonment of position by being absent without authorization for eight (8) or more days;
7. Unauthorized use of District property;
8. The conviction of either a misdemeanor or a felony involving moral turpitude (moral turpitude is commonly defined as an act or behavior that gravely violates moral sentiment or accepted moral community standard) may be cause for dismissal;
9. Gifts accepted for personal use in the course of assigned work in exchange for providing favorable or better treatment.
10. Verbal and/or physical altercations between and among employees; use of threatening or abusive language;

17.3 **Pre-Disciplinary Action**

The following steps are designed to assist the supervisor and employee to reach understanding of what is expected in the workplace. They are not disciplinary actions in and of themselves, but may be taken into account in subsequent “progressive discipline” if continued action is required.

17.3.1 **Counseling**

Informal discussion designed to assist the employee to develop or improve skills, abilities or to correct conduct. Counseling may also be used to clarify District policies, solve a problem, or discuss job performance. Counseling may be verbal or in writing. Employees shall have a reasonable period of time to correct deficiencies noted in counseling prior to subsequent formal notice or discipline. In no event shall counseling be memorialized or otherwise placed in an employee’s personnel file.

17.3.2 **Notice to Employee**

In the event the performance or behavior does not improve, a written reprimand will be issued to the employee and placed in the employee’s personnel file. The employee has the opportunity to file a rebuttal with the assistance of a CSEA representative, if so desired, which will also be placed in the employee’s personnel file. In the event a meeting is held after the issuance of a reprimand, the employee shall be allowed reasonable notice to allow the attendance of a CSEA representative.

17.4 **Emergency Discipline**

The CSEA and the District recognize that emergency situations can occur involving the health and welfare of students or employees. If the employee’s presence would lead to a clear and present danger to the lives, safety, or health of students or fellow employees, or conduct which rises to the level of serious concern, the District shall immediately suspend the employee for up to three (3) days with pay. Examples of conduct which rise to the level of serious concern include gross negligence, violation of any State or Federal law, and/or the threat of or actual violence. During the three (3) days, the District shall serve notice and the statement of facts upon the employee, who shall be entitled to respond to the contentions supporting the emergency. A copy of any notice of an emergency discipline shall be delivered to the CSEA President or designee.

17.5 **Administrative Leave**

From time to time it may be necessary for the District to place a classified Employee on paid administrative leave. This may be to investigate a matter, to facilitate organizational actions, or to address other issues of a temporary or transitory nature. Administrative leave is NOT discipline and employees so placed are not to be stigmatized or otherwise negatively affected based solely on being on this form of leave. The Chapter President and/or Labor Relations Representative shall be notified in advance of any classified employee being placed on administrative leave and will have the opportunity to be present with administrators when the employee is notified, where reasonably possible.

17.6 **Disciplinary Procedures**

17.6.1 **Notice of Recommended Discipline & Statement of Charges:**

The employee shall be given a written notice of proposed discipline (“*Skelly* Notice”) which sets forth the following:

1. The disciplinary action intended;
2. The specific charges upon which the action is based;
3. A factual summary of the grounds upon which the charges are based;
4. A copy of all written materials, reports, or documents upon which the discipline is based;
5. The name of the mutually agreed upon impartial third party who will act as *Skelly* hearing officer in the case of proposed severe discipline, up to and including termination;
6. Notice of the employee’s right to respond to the charges either orally or in writing to the designated *Skelly* hearing officer; and
7. Notice that failure to respond within five (5) working days shall constitute a waiver of the right to respond prior to final discipline being imposed.

17.6.2 **Employee *Skelly* Rights**

17.6.2.1 If no response to the Notice of Recommended Discipline and Statement of Charges is received within five (5) working days after the date the *Skelly* Notice is delivered to the employee, the proposed discipline will be implemented with no right of appeal, and the employee so advised in writing.

17.6.2.2 The employee shall have the right to respond to the *Skelly* Notice of Proposed Discipline and Statement of Charges by filing a statement in writing, or by requesting a *Skelly* hearing.

17.6.2.3 A form will be included with the *Skelly* Notice for the employee to use, sign and return within the five (5) working days, which will constitute a request for a *Skelly* hearing or the intent to file a written response.

- 17.6.2.4 A copy of the *Skelly* notice and supporting materials will be sent to the CSEA President or designee.
- 17.6.2.5 All employees shall have the right to have a CSEA representative present throughout the *Skelly* process.

17.6.3 **Skelly Hearing**

If, within five days of the delivery of the *Skelly* Notice the employee indicates they wish to respond to the charges contained therein, the *Skelly* Officer shall set a date and time for a hearing not more than fifteen (15) days after the delivery of the *Skelly* Notice. The employee shall be advised that they may respond in writing to the charges in lieu of the hearing, provided that such written response is received by the hearing date and time.

The purpose of a *Skelly* hearing, or written statement in-lieu, is to offer the employee an opportunity to respond to the Statement of Charges and offer any relevant explanations. The *Skelly* Officer may ask questions of the employee and District to clarify issues and facts to assist in determining whether the recommended discipline should be imposed. No witnesses will be called at the *Skelly* meeting. The employee's response will be considered before the *Skelly* Officer's decision is issued.

17.6.4 **Written Decision of Skelly Officer**

Within ten (10) working days after the *Skelly* hearing or the submission of a written *Skelly* response, the *Skelly* Officer shall issue a written decision of recommended disciplinary action to the Vice President for Human Resources. The *Skelly* Officer may recommend that the District:

1. Dismiss the Statement of Charges and take no disciplinary action against the employee;
2. Modify the intended disciplinary action; or
3. Uphold the recommended disciplinary action.

If discipline is modified or upheld, the written recommended decision shall include the following:

1. The date of the meeting and the attendees;
2. The disciplinary action to be taken;
3. The written materials, reports, and documents upon which the disciplinary action is based; and
4. A brief statement indicating why alternative explanations or exculpatory information supplied by the employee were not persuasive.

17.6.5 **Final Notice of Disciplinary Action**

Upon receipt of the *Skelly* Officer's written recommendation, the Vice President for Human Resources will review the recommendation and may, with reasonable basis, modify such recommendation provided such modification conforms to the original *Skelly* Notice. The Director of Human Resources will issue the "Final Notice of Disciplinary Action," including the following information:

1. The effective date of the disciplinary action to be taken;
2. Specific charges upon which the action is based;
3. The employee's right to appeal, and the manner specified therein.

17.6.6 **Delivery of Notice to Employee**

For the delivery of all notices to the employee (*Skelly* Notice of Proposed Discipline, Notice of *Skelly* Hearing Date/Place/Time, and Final Notice of Disciplinary Action), the first method will be delivering the notice in-person to the employee. In the event the employee is unavailable, delivery may be effected by certified mail, in which the U.S. Post Office certifies that the item was in fact delivered to the address on the date so certified by the Post Office. For the purpose of determination of whether the time requirements for notification were met, the date of hand-delivery or the date of postal certification, as appropriate, shall be used.

17.7 **Imposition of Discipline**

The Vice President for Human Resources will inform the Governing Board at its next regularly scheduled meeting of any discipline imposed.

Discipline may be settled by written mutual agreement of the parties at any time following the service of notice of discipline. The terms of the settlement shall be reduced to writing. An employee offered such a settlement shall be granted a reasonable opportunity to have the CSEA Representative review the proposed settlement before approving the settlement in writing.

17.8 **Appeal**

To appeal the Final Notice of Disciplinary Action, the employee must file, in writing, a request for an Evidentiary Hearing to the Vice President for Human Resources within ten (10) working days after service of the Final Notice.

17.8.1 **Appeal Procedures**

17.8.1.1 **Hearing Officer**

A neutral third party shall serve as the Hearing Officer and will provide its finding and recommendation to the Governing Board within a reasonable time period. The decision of the Board itself shall be final.

17.8.1.2 **Time for Evidentiary Hearing**

The evidentiary hearing will be held at the next available regular Board meeting, but no sooner than ten (10) working days after the request for appeal has been filed. The appealing employee will be notified in writing of the date, time and place of the hearing. The hearing will be held in closed session, unless the employee requests a public hearing.

17.8.1.3 **Failure to Appear**

If an employee who has filed an appeal and been notified of the time and place of the hearing fails to appear and has not provided advance notification of an extenuating circumstance, the appeal shall be deemed to have been abandoned and will be dismissed with prejudice.

17.8.1.4

Right to Control Proceedings

While the parties are generally free to present their case in the order that they prefer, the Board reserves the right to control the proceedings, including, but not limited to:

- excluding or terminating redundant or irrelevant testimony;
- altering the order of witnesses;
- questioning witnesses directly;
- terminating argument and/or testimony disparaging the ethics, morals, or integrity of the parties or members of the Governing Board.

17.8.1.5

- The District shall have the burden of proof and shall first produce its evidence, including witness testimony.
- The employee (responding party) may then offer evidence, including witness testimony.
- Cross examination for each party.
- Rebuttal evidence for each party, if any, provided by District, then employee.

17.8.1.6

- Any relevant evidence may be admitted regardless of whether such evidence is typically admitted in a court of law.
- Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence that is not sufficient in itself to support a finding.

17.8.1.7

Witness Testimony

- The Hearing Officer shall swear in all witnesses for the record prior to them offering testimony at the hearing.
- All witnesses shall be excluded from the hearing room unless testifying, regardless of whether the hearing is held in closed or open session.

17.8.1.8

Written Findings and Decision

The Board shall consider the recommendation of the neutral party hearing officer evidence and render its findings and decision in writing within sixty (60) days after the appeal hearing. The Board will decide:

1. Whether the evidence supports the finding that the employee committed the misconduct alleged; and
2. Whether the level of discipline is appropriate under the circumstances.

The Board may affirm or reject any or all of the charges filed against the employee. The Board may affirm, modify or reject the disciplinary action.

- 17.8.1.9 **Record of Proceedings and Cost**
The appeal hearing shall be recorded by audio tape or by a certified court reporter. If a court reporter is requested by either party, that party shall pay the cost of the court reporter.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same term as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of a Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with a least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employee's rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

MEMORANDUM OF UNDERSTANDING**Regarding Compliance with AB119
NEW EMPLOYEE ORIENTATIONS**

**Between
THE CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION (CSEA) AND ITS
SOUTHWESTERN CHAPTER 524
and
The SOUTHWESTERN COMMUNITY COLLEGE DISTRICT (COLLEGE DISTRICT)
December 4, 2017**

The passage of Assembly Bill 119 has added requirements for public employers to give access to new employee orientations and provide contact information to exclusive representatives on all bargaining unit members. This Memorandum of Understanding (hereinafter, "MOU") represents the parties' understanding related to the bargaining unit information which CSEA will receive. The MOU is entered into by and between the Southwestern Community College District (hereinafter, "College District") and the California School Employees Association and its Southwestern Chapter #524 (hereinafter, "CSEA")

1. COLLEGE DISTRICT NOTICE TO CSEA OF NEW HIRES

- a. Provide CSEA With Notice of New Hires: The College District shall provide the CSEA with notice of any newly hired employee whose position falls under CSEA's representation, on the 1st and 15th of every month, via electronic mail. The notice shall include full legal name, date of hire, job title, and work location. Should the 1st or 15th fall on a holiday or weekend, notice shall be provided on the following business day or as soon as reasonably possible.
- b. Definition of a Newly Hired Employee: "Newly hired employee" or "new hire" means any employee, whether permanent, full time, or part time, hired by the College District, and who is still employed. It also includes all employees who are or have been previously employed by the College District and whose current position has placed them in the bargaining unit represented by CSEA. For those latter employees, for purposes of this agreement only, the "date of hire" is the date upon which the employee's employee status changed such that the employee was placed in the CSEA unit. Information will only be provided on those employees who reasonably may fall under CSEA representation.

2. NEW EMPLOYEE ORIENTATION

- a. Definition of New Employee Orientation: "New employee orientation" means the onboarding process of a newly hired public employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.
- b. Provide CSEA with Access to New Employee Orientations: The College District shall provide CSEA access to its new employee orientations. Such access shall be limited to no more than 15 minutes of the orientation process. CSEA shall receive not less than ten (10) days' notice in advance of an orientation, except that a shorter notice may be provided as agreed upon and in specific instances where there is an urgent need critical to the College District's operations that was not reasonably foreseeable. Orientation sessions may include individual (one-on-one) new hire meetings with a Human Resources representative, a site administrator, and/or group orientation sessions.

- c. On-boarding orientations may occur at any time subject to College District needs, but will typically occur on the day following the monthly Board meetings if that day is a business day and if new employees are on the Board's agenda. This on-boarding orientation procedure will begin during the Spring term 2018. When more than one employee is on-boarded, the orientation may be a group orientation and CSEA will have group access, rather than individual access. Orientations will not be delayed or cancelled due to inability or failure of CSEA representatives to attend. New employees are not compelled to attend the portion of the orientation accessed or conducted by CSEA.
- d. The College District agrees to hold a minimum of **two (2)** orientation sessions during the academic year. CSEA shall be granted 30 minutes paid release time for one (1) representative, to make a presentation at the orientation. Said release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. The CSEA Labor Relations Representative may also attend the orientation.
- e. The orientation sessions shall be held on College District property.
- f. Upon request of CSEA, during CSEA's orientation session, no College District manager, supervisor, or non-unit employee shall be present.
- g. New Hire Information Packet: The College District shall include the CSEA membership application (and a CSEA-provided link for an electronic application where applicable) in any employee orientation packet of District materials that is provided to any newly hired employee. CSEA shall provide the copies of any CSEA literature/membership applications to the College District for distribution.

3. EMPLOYEE INFORMATION

- a. Provide CSEA With New Hire Contact Information: On the last business day of each month, the College District shall provide to CSEA, via a mutually agreeable secure format, the name and contact information on the new hires, except that personal contact information restricted under Government Code section 6254.3 may be withheld upon an employee's written request to maintain such information privately. This information shall be provided to CSEA regardless of whether the newly hired employee was previously employed by the College District.
- b. The information shall be provided electronically via a mutually agreeable secure FTP format and shall include the following items, with each field in its own column:

The information shall be provided to CSEA, via a mutually agreeable secure FTP site or service.
- d. The home addresses and telephone numbers of the College Police Officers and Campus Service Officers in the Bargaining Unit of Southwestern Chapter 524 will not be provided and will be exempt from the required information.

4. GRIEVANCE AND ARBITRATION PROCEDURE

Any disputes arising under this agreement will be resolved through the grievance process. If compulsory interest arbitration, as required by AB 119 (2017) becomes necessary, the parties shall mutually select an arbitrator for this purpose. Arbitration costs will be equally split between the College District and CSEA.

5. **SAVINGS CLAUSE:** If during the life of the Agreement there exists any applicable law, rule, regulation or order issued by governmental authority, other than the College District, which shall render invalid or restrain compliance with or enforcement of any provision contained within this Agreement, it shall not invalidate any unaffected remaining portion(s). The remaining portion(s) shall continue in full force and effect. Upon written notification by one of the Parties to the other, any portion of the Agreement that is invalidated in accordance with this Article may be opened for negotiations within thirty (30) days of the invalidation.

6. DURATION

This agreement shall become effective July 1, 2017, and shall continue in effect up to and including June 30, 2020, and renew automatically if not reopened in writing by either party prior to renewal.
