

## Comprehensive Academic Program Review Cycle: 2021-2025

**Accrediting Commission for Community and Junior Colleges (ACCJC) Standard II A2:** Faculty and others responsible act to continuously improve instructional courses, programs and directly related services through systematic evaluation to assure currency, improve teaching and learning strategies, and promote student success.

**If you are due for a Comprehensive this year, complete the Comprehensive review ONLY. If you are not due for a Comprehensive, complete an Annual Update using the Program Review App.**

Only those completing a Comprehensive need to submit an updated Outcomes Assessment Timeline (OAT) for SLOs. Email the timeline to the SLO Co-Coordinators so it can be uploaded onto the SWC Website. Please contact your SLO Liaison to facilitate this process.

Please Note: *Program* does not only refer to degrees and certificates. Asterisks indicate programs that do not offer a degree, a Certificate of Achievement, or a Certificate of Proficiency.
