

Comprehensive Academic Program Review Cycle: 2021-2025

Accrediting Commission for Community and Junior Colleges (ACCJC) Standard II A2: Faculty and others responsible act to continuously improve instructional courses, programs and directly related services through systematic evaluation to assure currency, improve teaching and learning strategies, and promote student success.

If you are due for a Comprehensive this year, complete the Comprehensive review ONLY. If you are not due for a Comprehensive, complete an Annual Update using the Program Review App.

Only those completing a Comprehensive need to submit an updated Outcomes Assessment Timeline (OAT) for SLOs. Email the timeline to the SLO Co-Coordinators so it can be uploaded onto the SWC Website. Please contact your SLO Liaison to facilitate this process.

Please Note: *Program* does not only refer to degrees and certificates. Asterisks indicate programs that do not offer a degree, a Certificate of Achievement, or a Certificate of Proficiency.
