

Level 3 Comprehensive Program Review Fall 2026 Training Sessions

These training sessions are intended for Level 3 Program Review leads and contributors responsible for completing and submitting the Level 3 Comprehensive Program Review. Participants will gain an understanding of the Comprehensive Program Review requirements, timelines, data expectations, and available resources to support consistent and high-quality submissions. A Research Analyst will be available to answer data-related questions and provide guidance on data interpretation. The training sessions will also include a demonstration of the Program Review application, including recent enhancements and practical tips.
