

2026-2027 Program Review Timeline

IMPORTANT INFORMATION – PLEASE READ! Deadlines will be enforced.

Level 3 **Friday, October 16, 2026**

Academic Programs and Identified Administrative Units

Level 2 **Friday, January 22, 2027**

Deans and Identified Administrative Units

Level 1 **Friday, March 5, 2027**

Vice Presidents/Superintendent/President

For resource allocation requests at any level to be considered:

- Review must be submitted on time and by the deadline.
- Requested modifications to review must be made.
- Requests for new full-time faculty hires must be included in Academic and Level 2 reviews to be considered for Faculty Hiring Prioritization.

If these criteria are not met, the resource request will **NOT** be considered approved **nor** be included in the Prioritization Process. *Items requested in a late program review can only be addressed through the normal budget development process.*

Programs completing a “comprehensive” program review can find the necessary program review materials at the [Institutional Program Review Committee’s website](#).
