PATHWAY TO LAW SCHOOL CERTIFICATE OF ACHIEVEMENT

CERTIFICATE OF ACHIEVEMENT CAREER/TECHNICAL (MAJOR CODE: 02261)

Any student with a goal to enter law school should complete the Pathway to Law School program. This program is recognized as part of the California State Bar and California Community College State Chancellor's Office initiative "Pathway to Law School." The Pathway to Law School program aims to establish a pipeline of diverse students from Southwestern College to four-year universities and law schools into law or law-related careers so that the legal profession reflects the diverse population of the State of California. In building a diverse pipeline, we strive to open the doors of law and law-related careers to underrepresented members of the legal profession. Building a diverse pipeline into the law will lead to a more diverse and representative workforce - not only in law, but in all segments of society where lawyers and law-related careers contribute to the workforce.
