SOUTHWESTERN COLLEGE

Message from the SUPERINTENDENT/PRESIDENT

Dear Graduates, Faculty, Staff, Families, and Community Members,

Welcome to the 2025 Southwestern College Commencement Ceremony! Today, we gather with immense pride and joy to celebrate a momentous occasion—your graduation. I'm honored to stand with you as we recognize your incredible achievements and the journey that brought you here.

As I look out at all of you, I reflect on my own days as a student at Southwestern College. I, too, was shaped and inspired here. Once a Jaguar, always a Jaguar. That same spirit of determination and resilience lives in each of you today.

Graduates, this moment is a powerful testament to your hard work and perseverance. Through every challenge, you stayed focused. Whether you're transferring, launching your career, or exploring new paths, know that your time here has prepared you to thrive.

Today is the start of a new chapter. Embrace every opportunity, keep learning, and never lose sight of your dreams. Remember, success is as much about the journey as the destination.

We also hope you'll come back—not just to visit, but as alumni success stories. Your accomplishments will inspire future Jaguars and show what's possible with a Southwestern College education.

The value of your degree is real and lasting. San Diego and beyond are filled with careers and opportunities in fields like Biotechnology, Healthcare, Education, Fire Science, Construction-Electrician, Engineering, and Technology to name a few. Southwestern College prepares you for both today's demands and tomorrow's possibilities.

Congratulations, Class of 2025! Wherever life takes you, carry with you the pride of where you began and the spirit of the Jaguar community that will always be yours.

With pride and best wishes,

Mark Sanchez, Ed.D.

Gonfalon Flags

A gonfalon is a medieval banner originally used by 11th and 12th century Italian city-states. Later, gonfalons were adopted by Italian guilds, corporations and sub-districts. Gonfalons often include badges or coat of arms. Gonfalons are used in ceremonies at the University of Chicago, Rowan University, Rutgers University, Princeton University, the University of Toronto, the University of St. Thomas, and now, Southwestern College.

The gonfalons being carried today represent each of the college's seven schools and the three Higher Education Centers. Carrying the flags are honor students from each of the seven schools and centers.

2025 Honorary Degree RECIPIENT

Jerry McCormick

Jerry McCormick's impact on Southwestern College spans more than two decades of mentorship, teaching, and transformative leadership. As a longtime adjunct instructor and founder of the "Pro for a Day" journalism bootcamp, Mr. McCormick has helped hundreds of Southwestern College students launch successful careers in media. Through this intensive program, he has brought working journalists and public relations professionals to campus to mentor students, build professional networks, and provide hands-on training — opportunities that have proven life-changing for many.

A passionate advocate for student success, Mr. McCormick recognized early on the critical need for mentorship and professional connections, especially for underrepresented students. His tireless efforts have opened doors for graduates now working at leading news organizations across the United States and internationally.

Beyond Southwestern, Mr. McCormick has built a distinguished career as a journalist, editor, producer, and communications leader. He is a graduate of Benedict College, an HBCU in South Carolina, and has held pioneering roles in newsrooms across the country, often as the first Black or openly LGBTQ journalist in his position. In San Diego, he earned an Emmy Award as a producer at NBC 7 and served as the founding president of the San Diego Association of Black Journalists.

Today, Mr. McCormick continues his dedication to education and community as the Director of Strategic Communications at Cal State San Marcos. His lifelong commitment to diversity, mentorship, and excellence makes him an inspiring model for the Southwestern College community and beyond.
