Message from the SUPERINTENDENT/PRESIDENT

Dear Graduates, Faculty, Staff, Families, and Honored Guests,

Welcome to the 2026 Commencement Ceremony at Southwestern College! We come together to celebrate not only an academic milestone, but the determination, adaptability, and commitment that define this graduating class. It is a privilege to recognize your achievements and share this moment with you.

The Class of 2026 has reached this day during a time of rapid change and new possibilities in our world. You have navigated evolving expectations, balanced competing responsibilities, and yet, remained focused on your goals. That ability to adapt and move forward with purpose will continue to set you apart in the years ahead. It is also important to acknowledge that no one person reaches their goals alone. I want to thank your families, friends, loved ones, supporters, faculty, classified-confidential professionals, administrators, and other supporters who encouraged you along your journey.

Southwestern College has long been a place where education is nurtured and opportunity takes shape. I have experienced that impact personally as an alumnus. Today, I see it reflected in each of you. The connections you have built and the experiences you have gained here will continue to influence your path long after today. You are, and will always be, part of this Jaguar community.

As you take your next steps, you do so in a society that is being reshaped in real time by innovation, new ways of thinking, and by the people willing to lead with intention. Whether you are continuing your education, entering a career, or exploring new directions, you are prepared not just to participate in that future, but to help define it.

The degree you have earned here remains a powerful foundation. Opportunities continue to expand in our region across fields such as Biotechnology, Healthcare, Education, Fire Science, Engineering, and Public Safety. More importantly, you leave with the ability to keep learning, to adjust to change, and to contribute meaningfully in a world that will continue to evolve. We look forward to the impact you will create and to the day you return to share your accomplishments!

On behalf of the entire Southwestern College community, congratulations to each of you. This achievement reflects your hard work and your resilience. Move forward with confidence, and carry with you the pride and spirit of Southwestern College in all that you do.

With best wishes,

Mark Sanchez, Ed.D.

Gonfalon Flags

A gonfalon is a medieval banner originally used by 11th and 12th century Italian city-states. Later, gonfalons were adopted by Italian guilds, corporations and sub-districts. Gonfalons often include badges or coat of arms. Gonfalons are used in ceremonies at the University of Chicago, Rowan University, Rutgers University, Princeton University, the University of Toronto, the University of St. Thomas, and now, Southwestern College.

The gonfalons being carried today represent each of the college's seven schools and the three Higher Education Centers. Carrying the flags are honor students from each of the seven schools and centers.

2026 Honorary Degree Recipient

Rosie Mendez Hamlin

Rosie Mendez Hamlin rose from humble beginnings in National City to become one of the most influential musical artists to emerge out of San Diego County. As a young Latina growing up during the 1960s, a time of redlining and segregation, she turned adversity into opportunity through her remarkable voice and determination.

At just 15 years old, Rosie wrote and recorded “Angel Baby” as the leader of Rosie and the Originals. Recorded in a modest San Diego County studio, the song became the first Top 40 hit by a Latina. It endures today as the Chicano National Anthem, a timeless expression of love, identity, and cultural pride that continues to resonate across generations. Her voice, both tender and powerful, captured something universal. Admired by legends such as John Lennon and Robert Plant, her voice and artistry left an indelible mark on global music. She is the first Latina to be inducted to the Rock and Roll Hall of Fame, solidifying her legacy as a trailblazer in music history

Over a remarkable 50-year career, Rosie toured internationally, appeared on American Bandstand, and shared stages with renowned performers, including the Rolling Stones. Yet she remained deeply connected to her roots as a lifelong resident of National City mentioning young musicians.

Beyond her music, Rosie quietly supported Latino community organizations and mentored at-risk youth across San Diego County, inspiring many to pursue education and opportunity. She also served as a national spokesperson for the Fibromyalgia Foundation.

Though she passed in 2017, her legacy and influence endures.

Southwestern College proudly confers this posthumous honorary degree in her memory.
