CCAC offers a Leader-In-Training (LIT) program for campers ready to further develop their leadership skills while getting job experience and volunteer hours.

After completing a 3-day training, LITs will aid with youth camps. LITs will receive an *LIT Certificate of Completion* after completing their training. Community Service hours may be earned for each day of volunteering (including training). We ask that all LITs volunteer for at least 10 days after completing their training. We recommend that LITs have previous camp experience.
