

Noncredit courses are tuition-free and are subsidized by state funds. These courses require the completion of the Noncredit Application.

1. Before applying (new students must complete an application online; returning students must update an application online. Click the button below to begin this process.

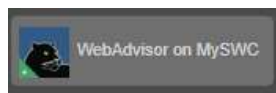

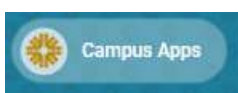

2. After you have completed (or updated) your application online you will receive an email within 24-48 hours with steps to activate your MySWC Account.

Once you have activated your MySWC account, you will have access to your student SWC email as well as other campus links.

3. Once you have logged in, you may access web advisor through the **Campus Apps**. Make sure you click on the **Web Advisor on MySWC** app.

Under the Navigation options, click on **WEBADVISOR FOR STUDENTS**

Click on **Registration**

Click on **Search and Register for Sections**

When you get to the screen below make sure you select Summer 2020 for the term and select **non-credit** under the **course type** and **subject**. Click Next to generate the list of noncredit courses. You will then be able to select your classes and register.

Note: If you are trying to register for a class that has already started you will need to email the instructor so that you may obtain and add code.

You must choose a minimum of two search optio
