If the Host has started the session before you connect, the screen activity in progress will appear. In this example, the host is screen sharing, the video gallery appears, and the participant is raising her hand.

TOOLS YOU CAN USE AS A PARTICIPANT

The session tool bar can appear in two different locations depending upon room activity.

TOOLBAR

The tool bar is located at the bottom of your screen. Each icon is described below.

/: Indicates the status of Audio or Video, in the example the Participant chose not to join audio.

The opens menu options for both Audio and Video.

Invite: Generate an email or calendar invitation for others to join the meeting.

Participants: View the names of who has joined this session. Raise your hand for the Host to acknowledge you.

Share Screen: Allows you to share your screens with the Host and Participants.
...More: Opens options for Chat and Record

Chat: Select All to send a chat for all to read, or select an individual name to send a private chat.

Record: Sends a request to the Host for permission to record this session.
Note: The host has the option to allow or disable participants to recorded. If recording is allowed, the file download to your own computer.

Leave Meeting: When you are ready to leave to meeting, click the button!

SCREEN SHARING TOOLBAR LOCATION

When the host is sharing screens, the content is displayed in Full Screen mode. The tool bar moves to the top of your screen, and a View Options menu appears. Click to choose from several, self-explanatory options:

- **Fit to Window** resizes the screen.
  Side-by-side Mode splits the video gallery and content on screen, resize by grabbing the vertical split line.

- While in **Fit to Screen** mode, change back to** Original Size** from the View Options menu.

Note: Annotate and Request remote control options are available only in Full Screen, Fit to Window and Original Size.

- Click **Annotate** to mark-up on shared screens; the annotation tool bar appears - select your tool and colors.
  Note: The host has the option to disable participant annotations.
