Welcome,

As the Dean of the Higher Education Center (HEC, NC) at National City, let me be the first to welcome you to the Center. We are pleased to have you join us as an instructor for the HEC, NC students. We appreciate your willingness to provide your teaching expertise and experience in partnership with the staff of the HEC, NC to insure that the student body is provided an academic experience that upholds the standards of rigor and student-faculty interaction and involvement that have come to be expected of the "SWC Experience." The HEC, NC offers over 200 classes for students to choose from, including occupational, transfer and general education courses. In addition to academic course offerings, we provide many services to assist students, including academic counseling, admissions/registration, cashiering, assessment, financial aid, and tutoring.

These are very exciting times for the Higher Education Center at National City as we are located in a new, state-of-the-art facility. The Center includes 15 "smart" classrooms, a biology laboratory, medical assisting laboratory, 30-station open computer lab, a health services center, physical exercise room, a bookstore and an 18-chair Dental Hygiene Clinic offering free cleanings to the college community. During the last seven years, the HEC, NC has increased in enrollment and now tops 3,500 students per semester.

We appreciate your commitment to continue this level of service to the growing HEC, NC student body and to help us build on the legacy of service and support that has been established by our staff. To assist you in providing this experience for your students, the HEC, NC staff provides a wide array of services and support for you, the faculty, and for the students enrolled in your classes. Those services are outlined in this handbook.

Thank you for joining us! We wish you tremendous success and know you will enjoy your time with the HEC, NC family.

Sincerely,

Christine Perri, RDH, MA

The History of the Higher Education Center

Established in 1961, Southwestern College (SWC) is the only institution of public Higher Education in the southern portion of San Diego County. The key component to the mission of SWC is providing access to quality education for all residents of its entire service area. With that in mind, the first education center was established 15 years ago in San Ysidro. The San Ysidro campus proved that satellite campuses are a vital part of providing access to education for South Bay residents.

In 1998 city leaders of National City requested the administrators of SWC and SDSU to explore the idea of offering courses in National City. From that meeting emerged what we fondly call the HEC, NC – The Higher Education Center at National City. The HEC, NC officially opened its doors for the Fall 1998 to 423 students!

In the Spring of 2000, Southwestern College offered San Diego County residents its only Dental Hygiene Program, in collaboration with the US Naval Dental Center SW. The dental hygiene program has distinguished itself by ranking 3rd out of 236 dental hygiene programs nationwide. Additionally, the program boasts a 100% pass rate on National board examinations.

On July 29, 2003 the ground breaking ceremony was held at the new location and the grand opening was held in January, 2005. Enrollment has steadily grown and we now serve well more than the original 420 students.

The Higher Education Center prides itself in being able to provide an intellectually stimulating environment for our students, faculty, and staff where we work together to serve the educational needs of the South County community. As a valuable member of the SWC teaching faculty, your contribution to the learning experience of our students is of utmost importance.

The following are interesting statistics about the students taking classes at the Higher Education Center:

- Over 52% of the students have declared their goal as transfer preparation.
- Approximately 24% of the students indicate they are the first in their family to attend college.
- Approximately 49% of the students are employed, with 18% full-time and 31% part-time.
- Students at the HEC, NC tend to be older in age than students at the Chula Vista campus (28 compared to 26 average age).
- Students enrolled at the HEC, NC carry an average unit load of 8.8 units.

The information contained in this abridged Faculty Guide has been developed to assist your orientation to Southwestern College and the Higher Education Center at National City. It is ***not*** a substitute for official college publications regarding policies and procedures. Therefore, you are strongly urged to read the ***Southwestern College Curriculum Faculty Handbook*** (available in the Administrative Offices), ***SCEA Contract*** and the ***College Catalog*** with special attention to attendance, grading and final examination policies and procedures.

Academic Accommodations

Academic accommodations are modifications made in an academic setting to afford the student with a disability an equal opportunity to learn in a lecture and lab course and to show what they have learned on tests. Examples of common accommodations include a note-taker in class, extra time on tests, and enlarged print. The educational institution, via instructional faculty, must provide reasonable accommodations to the student with a known disability.

In order for the student to receive an accommodation, she/he must request the "reasonable" accommodation in a timely manner by providing the instructor or Disability Support Services Office with written documentation of the disability. The instructor and the student discuss the requested accommodation(s) and how the accommodations(s) will be provided. All communications are confidential. DSS verifies the existence of a disability, functional limitations, and authorizes reasonable academic accommodations according to the Title V regulations. Faculty will receive a copy of the "Authorized Academic Accommodations" form verifying student qualification. DSS can help instructors organize and provide accommodations using their standard procedures/forms. Forms are available in the HEC, NC Student Services Office. DSS is not responsible for providing academic accommodations, which are a faculty/institutional responsibility.

The Disability Support Services Office recommends all students discuss accommodation requests in the first two weeks of the semester; however, students are not required to do so. Students with a disability have the right to decide when to disclose their disability and request accommodations from a professor.

If you need additional information on academic accommodations, please stop by the HEC, NC Student Services Office in Room 7116. Faculty cannot deny reasonable Academic Accommodations. If a conflict exists, and it is not resolved in five (5) instructional days, the student has the option to request its review by the College Academic Accommodations Panel. For students whose disabling condition has been verified, the accommodation will be allowed for a maximum of three (3) weeks during which time a resolution will be achieved. Recent case laws mandate the need for this procedure. While the district is ultimately responsible for providing academic accommodations, a faculty member may be held personally liable for not allowing an accommodation. (Wood v. Strickland, 1979; Howe v. Hull, 1994; US v. Morvant, 1994).

DSS recommends the following statement be included on your course syllabi:

“Southwestern College recommends that students with disabilities discuss academic accommodations with their professors during the first two weeks of class. An alternate format of the syllabus and class handouts is available upon request.”

Alternate format refers to the translation of print into a format that a person with a disability can comprehend, e.g. tape, e-text or Braille for blind or visually impaired. The Disability Support Services (DSS) can assist with these requests and can be reached at 619-482-6512.

Other services the DDS Office provides include:

- Disability counseling
- Test proctoring
- Note-takers (when a volunteer from class cannot be found)
- Training in the use of adaptive computer hardware and software
- Testing for learning disabilities and speech/language disabilities
- Short term equipment loan
- Sign language interpreters
- Specialized classes in basic skills and learning strategies
- Tutoring
- Community liaison with outside agencies

Please stop by the HEC, NC Student Services Office, Room 7116, or call the DSS Office if you have any questions. The DSS Office is located at the Chula Vista campus in Room 1400 (One-Stop) and can be reached at 619-482-6512.
