

OFF CAMPUS STUDENT ORGANIZATIONS

References: 34 Code of Federal Regulations Section 668.46(b)(7)

When a person who is a student is involved in an off-campus offense, Southwestern Community College District Campus Police officers may assist with the investigation in cooperation with local, state, or federal law enforcement. Local police departments routinely work and communicate with Campus Police officers on any serious incidents occurring on-campus or in the immediate neighborhood and business areas surrounding campus, Higher Education Centers or other College District-operated facilities. Although local police departments have primary jurisdiction in all areas off campus, Campus Police officers may respond to student-related incidents that occur in close proximity to campus. Campus Police officers have direct radio communications with the local police department, fire department and/or ambulance services to facilitate rapid response in any emergency situation.
