

I wanted to provide you with this year's **Women Veteran in Higher Education Conference** "Save the Date." We will have the more detailed invitation ready in a couple of weeks, but I wanted to make sure you were aware we were holding this event again this year. The event will be held at the Cal State Fullerton's Titan Student Union on Saturday, March 5th. You are certainly welcome to attend.

Our continued goal is to reach women veterans who are attending college or who are considering attending college to provide an opportunity to gather, network, share a meal, share their stories, have fun and so that we can recognize their service. The event is free and Lindsey Sin, Deputy Secretary for Women Veterans Affairs is our keynote.

Please let me know if you have any questions or need further information,
Catherine
