

DAV Mobile Service Office (MSO) Program aids in providing support to veterans in developing and filing claims administered under federal, state and local laws. There will be two National Service Officers who will provide FREE counseling, claim preparation, claim submission, or if necessary, claim representation (or power-of-attorney) for prosecuting claims. For veterans who are service-connected, bring a copy of previous rating decision and a copy of current treatment records. For those veterans who have not submitted a claim to the VA, bring a copy of DD 214, and a copy of service medical records (if available.)

**MSO will be on SWC Main Campus on 15 April 2016 from 9 AM to 3 PM.**
