ENROLLMENT PRIORITY REGISTRATION

Enrollment priority and the registration date will be determined when students have completed; 1) New Student Orientation Part One 2) Assessment, and 3) New Student Orientation Part Two and First Semester Plan. Students have to be in a Good Academic Standing.

The California Community College Board of Governors approved a policy change to establish system-wide registration priorities in an effort to improve student success. The new regulations are designed to ensure that classes are available for students seeking career advancement, an associate degree or transfer, and to reward students who are making academic progress towards their academic goals. Consequently, enrollment priorities have been redefined and changes have been in effect since Fall 2014.

Under the new regulations, new or returning students who have completed assessment, orientation and the student education plan, as well as continuing students in good academic standing who have not exceeded 100 units (not to include units in Basic skills, English as a Second Language) will have enrollment priority over students who do not meet these criteria. Students will now register for courses according to an enrollment priority system as defined by Title 5 regulations and the Southwestern Community College District.

LEVEL 1

State-mandated enrollment priority groups: Foster Youth or Former Foster Youth, Active Military, Veterans, EOPS, DSS and CalWORKs

LEVEL 2
