## Ask a Librarian whenever you need help

Did you know that you have a librarian, a library space and book collection at HEC San Ysidro? We are located in room

5105! Librarians are at HECSY four times a week but students can have access to professional librarians 24/7 via a chat service! For all of the library resources, go to the library's homepage

<http://www2.swccd.edu/~library>

Electronic/digital resources available at your fingertips include: high quality pre-paid journals, magazines, newspaper articles as well as eBooks to help you with your research papers. Live 24/7 research assistance!

The print book collection at the HECSY Library includes textbooks, EZ Readers, reference

materials, and books you can borrow for a month. If we don't have what you need, we would be happy to try to get it for you. We are here to serve you! For hours of service, see the sign posted outside of the library or you can pick up a Student Resource Guide from the front lobby.
