Dear Community Partner,

The Southwestern College Foundation invites you to join us as a sponsor for our **2017 Jaguar Award Celebration & Roasting of honoree, Greg Cox**. The Jaguar Award is given to individuals who continually go above and beyond to support Southwestern College, their community, and most importantly, our students. Our 2017 Honoree is County Board of Supervisor, former South County City Councilman and Mayor, former South County educator and philanthropist, Greg Cox. Greg exemplifies what it means to be a Jaguar, and we are excited to celebrate his many contributions!

As a sponsor of this exceptional event, you are helping to provide educational advancement opportunities for Southwestern College students through scholarships for those in need and the opportunity for students to attend educational trainings, conferences, and competitions to help build skills beyond those learned in a classroom. Your support allows deserving students to complete their college education, experience enhanced learning opportunities and become successful contributors to the community and economic health and wellness of our region. **Whether you are providing a financial sponsorship or a donated auction item, your contribution will play a role in ensuring student success at Southwestern College.**

Please join us as we honor & roast Greg Cox, and raise much needed funds for student scholarships and educational success initiatives. For questions or to confirm your sponsorship of the Southwestern College Foundation's 2017 Jaguar Award Celebration & Roast, please contact Debbie Dyer at (619) 421-6700 x5962 or ddyer@swccd.edu

Sincerely,

Melyn Acasio
Fundraising Chair

Lisa Johnson
Event Chair

Ricardo A. Macedo
