ADDITIONAL GRADUATION AND PROFICIENCY REQUIREMENTS

UNIT AND SCHOLARSHIP REQUIREMENT

Students must satisfactorily complete the following in order to meet associate degree requirements:

- A minimum of 60 units of degree level coursework.
- Satisfy all graduation requirements.
- Maintain a minimum 2.00 or higher grade point average for all Southwestern College general education coursework.
- All courses required for the major or area of emphasis must be completed with a "C" or better in each course.

OTHER

Only complete one additional course (3 units) from Area A, B, C or D if needed to satisfy the 18 unit minimum requirement per Title 5 Associate Degree Requirements.

PROFICIENCY REQUIREMENTS

Writing Proficiency Requirement

The English Writing Proficiency requirement can be satisfied by completion of one course, with a minimum grade of "C" or better or "P" pass-no pass formerly "Cr/NC" Credit/No Credit in the following course

ADN 140 Reading and Composition for Nursing and Allied Health Occupations
ENGL 115 College Composition: Reading and Writing Analytically
ENGL115H Honors College Composition: Reading and Writing Analytically

ADN 140, ENGL 115 and ENGL 115H will satisfy the General Education requirements for all of the following:

- Southwestern College - Area A1: English Composition.
- The California State University General Education Breadth Requirements – Area A2: Written Communication.
- The Intersegmental General Education Transfer Curriculum (IGETC) – 1A: English Composition.

Reading Proficiency Requirement

Reading proficiency can be satisfied in one of the following ways:

Completion of Reading 158 or ADN 140 or ENGL 115 or ENGL115H with a minimum grade of "C" or better or "P" pass-no pass formerly "Cr/NC" Credit/No Credit. Satisfactory score on the Southwestern College Reading Assessment examination.

Mathematics Proficiency Requirement

Mathematics proficiency can be satisfied in one of the following ways:

- Satisfactory completion (grade of "C" or better or "Pass") of MATH 60 or higher-numbered mathematics course.
- Satisfactory completion (minimum of 3 semester units with a grade of "C" or better) of a transferable statistics course in any discipline (e.g. PSYC 270/SOC 270 at Southwestern College). As appropriate consultation will occur with Southwestern College discipline faculty.
- Satisfactory performance on the Southwestern College Math Assessment; i.e., results that indicate eligibility for **any mathematics course with a pre-requisite of Math 60 or higher.**

Students are encouraged to satisfy the Mathematics proficiency through coursework and to pursue mathematics education beyond the minimum proficiency level required for the associate degree. Transfer students should be aware that the California State University (CSU) and the University of California (UC) entry level math examinations require proficiency above the level of Intermediate Algebra (MATH 60).

The Southwestern College Mathematics Assessment may be taken throughout the year. It is advised that students take the test(s) as soon as possible before or following enrollment. Educational review can be arranged for students who are deficient in mathematics. However, it is the responsibility of each student to arrange to take the test(s), review his/her test result(s) and meet with a counselor. Review material will be available upon request.

RESIDENCY REQUIREMENT

Students must satisfactorily complete the following in order to meet associate degree requirements:

- A minimum of 12 units used to satisfy degree requirements at Southwestern College.
